EDITORIAL

Dear Readers,

At this time of year, many of our readers take a trip up to London to visit Soho, the famous "Wicked Square Mile". Indeed, what man of the world doesn't want a bit of sexy fun in the Summertime. With this in mind, we've carried out a survey of adult entertainment in Soho, to advise you of the best value-for-money buys. These are:

1. CONFESSIONS FROM THE DAVID GALAXY AFFAIR, a superb feature film which is showing NOW at the Eros Cinema, Piccadilly Circus. It's probably one of the most explicit feature films ever shown in the U.K. If you see no other film this year, see this one. Our FIVE STAR rating!
2. QUEEN OF THE BLUES/MASSAGE GIRLS IN BANGKOK. A really fabulous double bill, featuring Mary Millington, Rosemarie England, Faith Fonteyn, plus a host of Oriental beauties, in two great films for the price of one! Showing from July 26th at the Centa Cinema, Piccadilly (nr. Piccadilly Circus).
3. COME PLAY WITH ME/EMANUELLE MEETS THE WIFE-SWAPPERS (X). The longest running sex programme in London, now in its third year, which says something about how strong these films are! Showing 7 days a week from 11.00am, with late shows nightly at 11.00pm, Moulin Cinema, Gt. Windmill St. Soho.
4. THE PLAYBIRDS/INTIMATE GAMES (X). Another fabulous Mary Millington double bill, combining humour, action and hard sex. Just left the Moulin and is now on restricted release throughout the U.K. ((See page 8 for venues).

These are four great film programmes you should not miss. However, if out-and-out hardcore is your thing, there are two or three specialist cine-clubs in Soho which show the real thing at very reasonable prices. The best three are:

1. EXCITING CINEMA CLUB, 18 Greek St. Soho, probably the best in London. It shows only the very best films, with new programmes weekly. Membership is just £1, admission £3.25.
2. CIN CINEMA, 32 Old Compton St. Soho. Certainly the best value for money in Town. Blue film prices start as low as 50p!
3. SWEDISH PARADISE, 24 Brewer St, Soho. Shows genuine Swedish hardcore only. Easily the most luxuriously appointed club in London.

We hope sincerely that if you come to London you'll take our advice and go to these approved entertainment centres. Soho is full of sleazy people who wouldn't think twice about ripping you off for £10 or £20 to see films that are 10 years old, soft, and out of focus. So be warned – but have fun!

There's a new magazine, printed on top quality paper, which we believe will appeal to those of you who go for real 'strength'. It's called PLAYBIRDS CONTINENTAL, and it's the uncensored, overseas version of our own magazine (i.e. containing all the 'over the top' shots too strong for us to print)). PLAYBIRDS CONTINENTAL makes even WHITEHOUSE look soft, it's certainly the strongest magazine ever seen in Britain. It's got 100 colour packed pages, specialises almost entirely in duo/group action, and is available via mail order NOW Price £1.25 (includes carriage). It's unlikely that PLAYBIRDS CONTINENTAL will ever go on open sale, so take advantage of this offer and ORDER NOW from PLAYBIRDS CONTINENTAL, 34 Upton Lane, London E.7 (Callers welcome). We would like to emphasise that the monthly 'Playbirds' will still be available, though containing COMPLETELY DIFFERENT material from PLAYBIRDS CONTINENTAL.

Oh dear, I thought, standing stark naked in front of my full-length mirror and casting a voluptuous eye over my tasteful curves – what is the world coming to, I thought, if a young lady with a body like *that* (and here I pressed back my shoulders and saw with approval how firmly my tits thrust out) has to go scampering all over the country in order to find suitable things to stick up *here* (at this point I spread my feet wide apart and with both hands opened the sexy flap of my pussy to see the reflection of my shy pink organ) – and why is it that whenever I feel particularly randy, like tonight, all I think of doing is jumping into a car or on a trainer plane and zooming off in search of Cock? It was nearly a week since I'd last had a stiff one between the legs, and I could feel that old wanderlust building up inside me, and I'm choosing my words with care here!

If I closed my eyes for a moment and cast my mind back over all the thrills and spills of my provincial adventures, I could almost feel once more the touch of strong careless hands grabbing my tits and arse, the smell of working men's clothes as they gave me their hard-ons to play with, the sound of passionate grunting which accompanied the lust of my many casual lovers, and that exquisite sensation of helplessness as a brawny bloke with no morals thrust me onto my back or bent me over a seat or the side of a table or wherever he fancied in order to yank my thighs apart and give me the works in a frenzy of uncontrollable sexual vigour. And that moment of intense anticipation just before a total stranger actually penetrates my panting quim with his great big chopper...

I realised that the strength of my recollections had made me not only caress myself in all the relevant places but also go to the extent of sliding three fingers up my clutching fanny and bringing myself to the point of no return in as short a time as it has taken you to read this far. I watched myself in the mirror: a nicely-turned-out blonde with tits just the right shape and size and a blonde furred lower mouth

which my fingers were churning round and round and distorting into grotesque shapes as my orgasm approached, and I must confess that the picture in the mirror was so sexy I hobbled up to it with my hand still in place and gave the girl a passionate kiss, feeling her frigging bringing me off in a shattering climax which nearly made me collapse on the bedroom floor. Oh yes, it was time this breathtaking bird took her charms out on the road again…

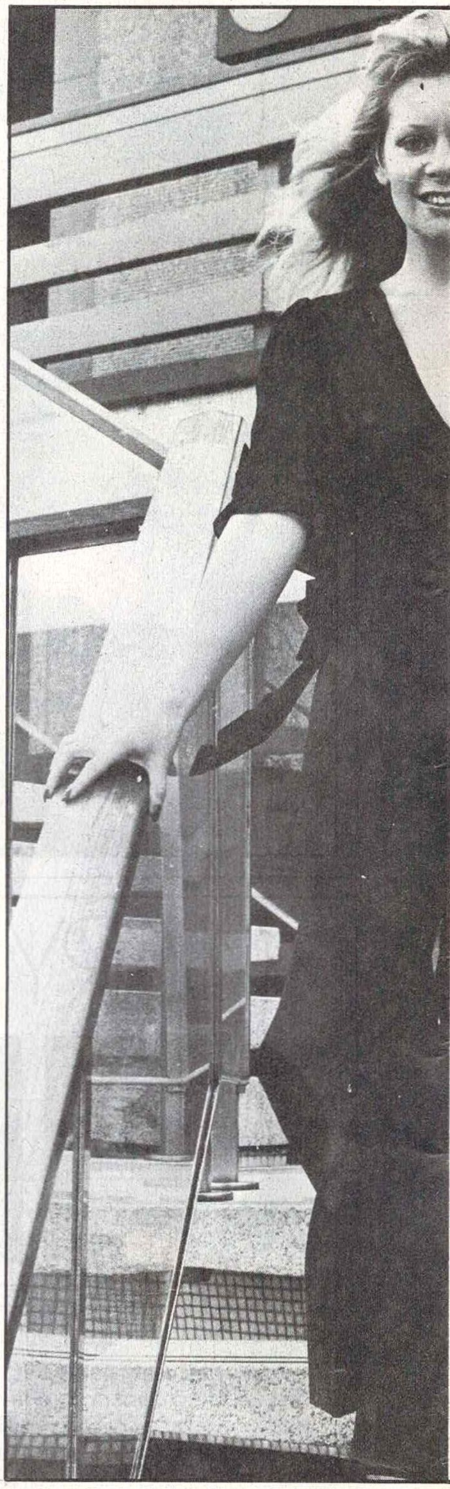
The next morning I awoke early, randy and full of keen excitement. For the first time in ages I was going to take a trip somewhere with no aim in view except to get a piece of local talent between my legs, and my hands were trembling with impatience as I started flicking through my map of the British Isles, as if the place-names and blocks of print were rigid erections poking out to greet me, the spidery roads became the veins down the side of throbbing hard cocks, rivers and lakes turned into splashes of seething spunk which my artful sucking and handling had caused to spurt out in spoonfuls, drenching the entire nation with my message of Sex. In my missionary zeal I imagined myself turning the whole of Britain into a pleasure park where total strangers greeted one another with groping and sucking, girls pairing off with bank clerks, coal miners bending housewives over in public and giving them the benefit of several rock-hard inches from behind, a non-stop orgy being carried on in bus shelters and supermarkets, on buses and park benches…

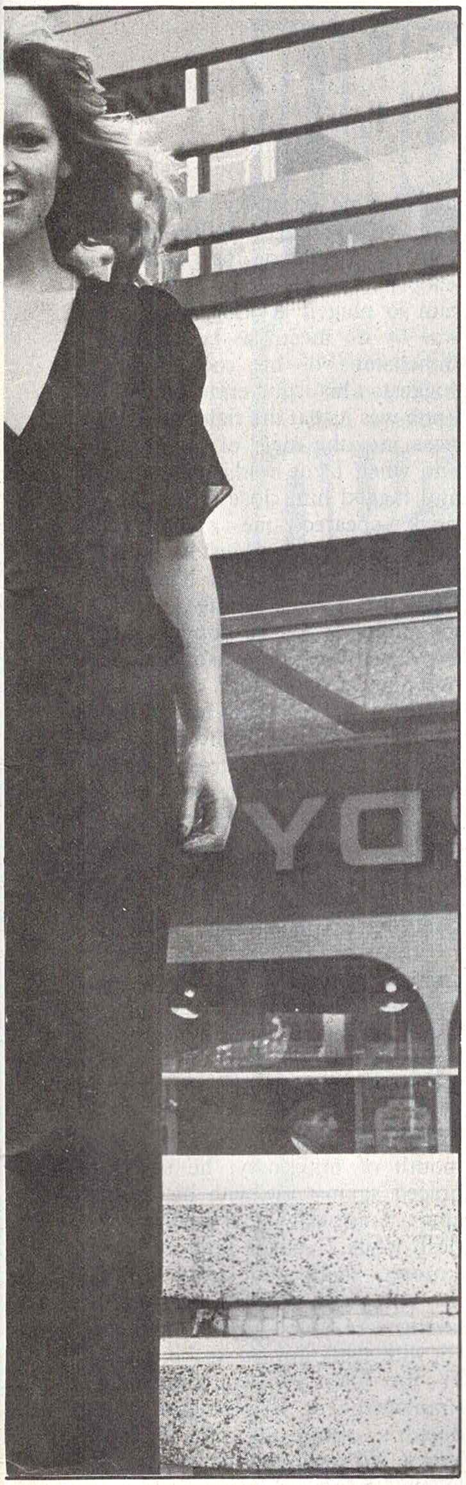
At this point I looked at my diary and saw with relief that it was indeed full-moon last night! No wonder I was in such a state of supercharged, trembling arousal! I could quite happily have whistled from my window and invited the first man I saw to come up and give me one, I was in that sort of mood. But then I pulled myself together and returned to the atlas with renewed attention, scanning the whole country for fresh pastures. In the end I decided to stick a pin into the map with my eyes closed, and promised myself that wherever the point landed, unless it was somewhere ridiculous like the Orkneys, that's where I would go. So you see, I do give you all a fair chance, don't I?

To tell the absolute truth (and that's what I'm paid for!) when I opened my eyes again, I found that the pin had landed in the eastern part of the Bristol Channel, but there can be no question at all but that the nearest town of any size was Cardiff. I was on the phone to Paddington Station and packing my travelling bag at the same time, and when the man on the phone told me I had twenty minutes to get to the platform, I decided to leaving making up until I was actually on board the train. I doubt if any departure of mine has ever been quite so rapid, but then – apart from some obvious scheming tendencies – I am a creature of impulse for the most part, and my neighbours ought to have got used to seeing me flying out the front door with a cab ticking over by the pavement outside. On the other hand, if they knew just *why* I am always in such a hurry, they might be even more intrigued than they are already…

I made the train with a minute to spare. It was the same high-speed job which had whisked me to Bristol all those months ago, and I must confess that a flood of memories practically swamped me as I took my seat opposite a badly dressed business-type: how I'd met a young squaddie in the loo and sucked and fucked him at 125 miles an hour: how heavenly it would be if there was someone on this train who was partial to a bit of crumpet! The man sitting opposite me looked up briefly as the train began to pull away from the platform, but as soon as his beady eyes had wandered up my naked legs to the hem of my flared summer skirt and then proceeded up over the swell of my tits in their sleeveless blouse, he caught me looking at him looking at *me*, and then immediately switched his gaze to look out at the disappearing station, pretending a complete lack of interest, but obviously secretly imprinting the memory of my appearance on his mind's eye – honestly, men are such hypocrites sometimes!

So I just sat reading my current paperback without bothering to go wandering up and down the corridor in search of a handy prick, and in fact I hardly spoke a work throughout the entire journey, just now and then glancing up at the fleeting landscape and managing to cast an eye over the businessman from time to time, wondering what he was like in bed, whether or not he was faithful to his wife and so on – all the things which naturally pass through a girl's mind when confronted with a member of the opposite sex. Now although I didn't in the least fancy him, and any sex could have happened as a result of my wishing to tease and





humiliate him, by the time we were past Bristol and heading for the Severn Tunnel I was in a fair old state, sitting cross-legged and letting the rhythm of the thundering wheels jiggle my juicy quim against the top of my tightly squeezed thighs. The temptation to slope off to the loo was almost unbearable, but in the end I decided simply to keep myself in this state of near-explosion and wait for a nice rough customer to bring me to the boil, and I managed to refrain from frigging until we were actually in Cardiff itself.

Stepping out into the warm sunshine outside the station I realised that I didn't have a clue as to what I was going to do with myself. I'd never been there before, and all I could think of doing was hanging around the dock area like a cheap slut and hoping some stray brute of a docker would take me behind a wall and give me his leek between my nether lips. Now what I fancied was a proper tiger from Tiger Bay, a real rugby-playing animal built like a power station, crushing me half to death in his great brawny arms – It was no use, my mind just couldn't keep off the subject, and I would have to get into action straight away, without bothering to wait for evening..

And it was my very impatience which proved so disastrous: crossing the road outside the station I stepped back sharply out of the way of a speeding van, missed my footing on the kerb – and twisted my ankle! I don't normally read my horoscope in the morning paper, but at that moment I was convinced it would say something like: 'Beware of letting your emotions run away with you, and above all, watch your step!' For a while the pain was enough to make me hop round in circles like a crippled turkey, but after a while I realised that I ought to turn myself in at a casualty ward to make sure I hadn't done any serious damage. So I hobbled to the taxi rank and ten minutes later found myself sitting in a queue in the outpatients department of the Royal Infirmary, seething with anger at myself and cursing the impulse which had sent me zooming off on a wild cock chase. But how could I possibly go after the male of the species when I could hardly stand up for more than a few seconds at a time? I sat with grim expression on my face and waited to be called.

First off, I had to have an X-ray, and then go back and wait for the results, and a dishy porter gave me his wide shoulder to lean on there and back, which cheered me up no end. Honestly, how those people can keep a smile on their faces when they work so hard for so little pay is quite beyond me, but everyone was so patient and helpful, pretty nurses and considerate doctors and all, I felt ashamed to be wasting their time with a twisted ankle.

Eventually I found out that there was nothing broken, but they strapped it up for me, and it was while I was in a small cubicle getting an injection that an emergency case came in and I was left with my foot in the air for ten minutes while all hands manned the pumps. When the orderly who was treating me, a lovely redheaded Welshman called Clive, came back, my injured ankle was still up on the little table, and I suppose my skirt might have slipped a foot or so down my thigh – anyway, he obviously thought the view was very attractive. He complimented me on the turn of my leg in that soft flat voice of his, and his large but tender hands massaged my calf muscles – suddenly I noticed an extraordinary bulge in the front of his trousers, and that's when I realised that my charms were really beginning to get through to him...

"It's too bad you have to go back to London now," he said gently. "Just a business visit, was it?"

"Research," I said boldly, raising my knee just enough to make the skirt slide down into my crotch and show the pink vee of my panties with a few blonde curls peeking out at the sides.

"What sort of research might that be?" Clive's murmuring voice continued, as his hands automatically smoothed their way up to my knee and then began the downward path toward my sexy groin. The poor dear could hardly help himself in the circumstances; after all, men have been known to pop their roe just feeling my luscious lower limbs, so you can hardly accuse this hospital orderly of weakness – he was simply under my spell, that's all!

"I'm conducting a survey on penis-size," I lied, looking at his tent-on. "I wanted to find out if the Welsh prick is any bigger or smaller than the national average." And with that I reached out and deftly unzipped the man's flies, feeling his full pants thrust forward gratefully through the opening gap; while he stroked my inner thigh I reached inside his trousers and yanked the pants down, exposing a meaty prong which rapidly erected itself under my nose, the foreskin straining back over the swelling fat mushroom of the knob as it cranked up almost vertical, a little tear of lubricating fluid trembling on the slit at the very point of it. Clive stood proudly in front of me, his stiffer saluting invitingly in the air with a few reddish wisps of pubic hair visible, and all of a sudden I was glad I'd come to Cardiff. And although the story about research was one I'd made up on the spur of the moment, a brief rummage in my travelling bag produced a tape-measure, so while the lovely orderly continued handling my spread thighs as I sat before him, I got to work on his erection.

"Twenty-two centimetres," I announced in a quiet voice. It was nearly nine inches long. And with the tape round the root ofhis rigid member, I read off fifteen centimetres, which is as near six inches as makes no difference – all in all, a perfectly proportioned

penis, and one that I was looking forward to getting to grips with. But just as I was about to replace the tape measure with my finger and thumb, the man was called away, and had to stuff his hard-on back inside his pants while I sat back and waited for him to return, confident that I'd found what I was looking for. Idly I pulled my knicks a few inches down my thighs and spread the flap of my impatient pussy, giving the clit a deliriously tender fingering and dreaming of Clive's cock. I was still handling myself in this fashion when a step behind me told me that I was no longer alone. A man's voice started to say something and then broke off – it wasn't the sexy orderly, but he'd seen what I was up to alright!

A young doctor had walked through the curtain to the cubicle to see how I was getting on, and at the sight of a sexy young bird slowly fingering her juicy twat, he'd stopped dead, frozen with embarrassment, his jaw down and his hairless cheeks suffused with pink. Without a word I directed one of his hands to the tender meat of my hole and as if mesmerised he found himself gently frigging me while I unzipped his flies and a second later was handling a slim long prick which looked as if it needed some expert attention, it was so stiff and sensitive, as if the man hadn't done his load for some time past. I whispered for him not to worry about a thing – "This won't hurt!" – and while he crouched over me with his fingers getting wetter by the second in my clutching greedy quim, I sucked him down my throat, making him bend over my head and stick his prick all the way in until my lips were sucking his pubic hair and his knob end was twitching down my gullet. I doubt if the lucky young thing had ever got stuck into a genuine Deep Throat before in his life, and when I began massaging the warm hairy eggs of his balls he moaned and clutched my shoulders as his cock jerked strongly, then squirted straight down my gullet – I pulled back to let him have a few shots of my tongue and the liberated stiffer leapt up and thumped into the roof of my mouth, spraying the contents of his balls every-which-way – finally I opened wide and let him watch his sperming penis gush over my teeth, flipping up and down like a marrionette's arm while I milked his balls. All in the interests of research!

Well, having been forced to pop his rocks, the nameless doctor quickly washed off and returned his wilting prick inside his pants, took one last bemused look at my cunt and then bolted through the curtain without a word, leaving me to savour his tasty come and continue frigging myself. Of course, when Clive the orderly finally returned I made no mention of the oral interlude I'd just had, but simply encouraged him to kneel down and give me a little suck. He was only too willing to get his tongue up my snatch, and showed his expertise in this line by fastening his lips to my pouting pussy and licking me out as if he hadn't tasted anything so fine since he was weaned! To my mind one of the wonderful experiences of life is to have an expert oralist of either sex get their head stuck between your legs and set to work with lips and tongue and teeth until they make you throw your head back in ecstasy and grind your pubes in their face thrusting and gyrating in the throes of sexual climax.

Of course, all this time we were surrounded by other cubicles in which people were being treated and other conversations could be heard in progress, so we had to keep the noise to a reasonable level – all of which meant that I had to grit my teeth and breathe through my nose in order to stop myself making the whole hospital echo with my cries of delight. And when I had recovered sufficiently to help Clive to his feet and tug his rampant prick out once more, I was in two minds whether or not to repay the compliment and take a second load of spunk in my mouth, seeing as how there seemed to be so much of it about in South Wales! But despite being sucked off, I still fancied getting a prick up my snatch, and was already thinking of how to get down to it with my foot in such a bad shape. One look at the redhead's vibrant member showed me how close he was to spunk-up, as the entire surface of his naked knob was shiny with fluid, and the whole thing looked as if it might start squirting off at any instant.

Eventually the man himself solved my problem by boldly hoisting me up and parking my bum on the edge of the table, with my knees wide apart and my juicy pussy opened up wide for him to plug it at will. Since he was by no means as tall as the dimensions of his cock might suggest, his quivering sticky knob was just at the right level to nose into the meat of my cunt, and when I got hold of his hips and tugged him close to me, his prick speared me smoothly, riding in slowly until just his balls remained outside, as if hanging from the hairy yawning lips of my quim. It felt so good to sit there with my pussy squeezing on his hard-on and his lips buried in my neck and his hands all over the inside of my blouse, making my boobs stretch and lollop and bulge as he titted me off, that I couldn't help fingering my clit as he began shagging me in earnest, his heavy balls swinging through the air and building up a strong, loping rhythm which in itself was sexy enough to bring me off.

After a few minutes fucking, Clive whispered that he was on the point of no return, and just for a whim I told him to withdraw until just the knob of his prick was tightly held in the mouth of my pussy; he stood braced against me with his feet apart, hands clawing at my breast flesh while I caught hold of his exposed shaft, still sticky with my juice, and wanked him off, taking care to hit myself in the clit with every inward stroke, until the pair of us climaxed simultaneously. If I thought the doctor's spunk-up had been heavy, I'd reckoned without this lovely man's climax: as his orgasm arrived, I watched his pole swell between our pubes and then his knob jerked convulsively in my quim, nearly jumping out from its tight embrace as his spunk rocketed into my sheath, liberally coating the inner walls: I pulled him all the way in to feel a few splatters in my womb and then retracted again to let him finish off over my pubic hair, which he really soaked!

Well, I've heard of clouds having silver linings before, but I never knew the same thing was true in Wales; I'll obviously have to twist my ankle again some day!

PORN QUEST

PART TWO

Introduction; June Jason is a freelance reporter. She is looking into the porn business. In Part One she told us how she became a model. In Part Two she tells us about the blue film game.

Judy had arranged an interview for me with Harry, who ran the biggest blue film operation in the country. I went along to see him and we got along just fine. He said the best thing was for me to see a few blue films, and then I could make up my own mind as to whether or not I could do it myself.

He left me in a dark room with a projector and several films, and I started to run them through. They were amazing. Most of them were sound, all of them were in colour, and the standard of filming was out of this world.

The first film really turned me on and started my love juices bubbling away deep inside my cunt. It showed a woman, a really lovely woman, naked on a bed, and she was pushing a very thick candle in and out of her cunt. The camera showed every single detail. I could see her pussy lips all puffed out and soaking wet, and I could see her thick juices running down the inside of her thighs.

The next film showed a woman sucking a man off, and when he came, she pulled his cock from her mouth and allowed all the sperm to go over her face. She then wiped that thick hot come from her face with her fingers, and then she placed the fingers in her mouth and sucked them dry.

I almost had an orgasm myself watching her do that. For I love the taste of sperm, and the girl on the film really did seem to be enjoying herself.

The next film was even better. It showed two men fucking a woman at the same time. One had his cock in her mouth and the other one had his prick in her juicy cunt. I was getting really worked up watching this, so I slipped my right hand inside my knickers and started to run the tips of my fingers up and down my crinkled cunt lips. My juices started to bubble out over my fingers, and so I slipped three fingers into my cunt hole and started to give myself a real finger fucking while I watched the next couple of films.

The next film was a real beauty. It showed two naked women in the 69 position and they were giving each other a real tongue fucking. Their juices were spurting out all over the place.

Then one girl shoved a huge dildo into the other girl's cunt and wanked her off with it, and as the girl on the screen had an orgasm, I had one as well, and my juices made my knickers very wet indeed.

I stood up and took all my clothes off and watched the next few films stark naked. Then Harry came back into the room. He didn't have to ask whether or not I'd liked the films, he took one look at the sticky juice running and bubbling from my quim and his eyes lit up.

I was as worked up as hell, I looked at the bulge in the front of his trousers and I said: "Fuck me."

He didn't need asking twice.

He took off his clothes and I gasped out loud at the size of his prick. It was big. It must have been as thick as my wrist and it was throbbing like hell. I also noticed that his balls were well hung. Just looking at that fine cock of his made my juices get even hotter and more sticky.

He stretched out on the carpet and I started sucking his cock. I'd have loved to get his sperm in my mouth, but my cunt was crying out for cock.

I sucked him until he was harder than ever, and then I rolled over on my back and he got on top of me. I screamed with delight as I felt that thick cock slide very easily into my soaking wet pussy hole, and I screamed

even more when the glans of that marvellous weapon touched the opening to my womb, and I had another orgasm.

He flopped down on top of me and his heavy chest crushed my firm breasts and erect pink nipples. I raised my hips up slightly so that he could get even further into me and then I clamped my legs down round the small of his back, and at the same time I squeezed at his cock with the full strength of my cunt muscles.

He moaned with pleasure, and then he started slamming in and out of me just as hard as he could. I had climax after climax as that thick glans of his battered against the tender internal walls of my quim, and my juices were so hot they were boiling away inside me.

I moved my hips and bum up and down and his prick went ever deeper into me, and I could feel his hanging balls banging against the soft flesh of my thighs.

His face was next to mine, I could see sweat pouring down his face as he worked himself deeper and deeper into my cunt.

He filled me all the way up. My whole body felt the throbbing vibration of his cock inside my cunt, and he went in so deep that for a moment I thought he was going to split me in half.

In and out went his hot throbbing cock and my cunt was aflame with desire and lust. I ran my fingers down his broad back and then stroked at the firm flesh of his hard buttocks as they bounced up and down.

I moved my hips and bum even faster and my juices came out of me like a waterfall, and still that powerful prick of his was going in and out of my cunt like a piston engine.

I was having so many orgasms that I lost count, and my pussy hole was stretched as wide as it would go to take in the full length of his stiff cock.

I then managed to put a hand down between us and I took hold of his balls and pulled at them, and at the same time I gave another almighty squeeze to his shaft with my vaginal muscles.

He gave a very loud shout, his prick jerked and bucked inside my cunt, his body convulsed, he shouted out again, and then he blasted a bubbling pulsating stream of hot spunk into my pussy hole. I felt that lovely sperm swim about inside me, and there was so much of it that it even began to trickle out from my crinkled fleshy pussy lips.

I waited until his cock had gone limp inside me, then after he had pulled it out, I took it into my mouth and sucked it clean and dry.

He smiled and pointed down at my pussy hole, and I looked down and saw that great trickling streams of spunk were escaping from my cunt.

I wiped the sperm up with my fingers and then I placed my fingers in my mouth and sucked them dry, and I found that his sperm tasted very nice, so nice that I went back for more. And this time I pushed my fingers all the way into my cunt, and when I pulled them out they were covered the the lovely stuff.

We had a shower after that in his private bathroom and we didn't bother to get dressed. We just sat in his office and had a drink. He said that he was going to make a film the following day and that there was a part for me in it. He said it would be four men fucking me at the same time.

I told him that would be just great. Me and four men were just about the right odds. I then told him that I was writing an article about the porn business and he spent the next half hour giving me all the details of how he worked, how he made films, where he found the girls, all stuff like that. And at the end of that half hour I had enough material to write six books.

Well, that was the work part of my quest taken care of, I could now relax and enjoy myself. I looked at his limp cock and asked him if he was ready for a bit of action.

He smiled and said that he was, and that he would like me to suck his cock and then swallow his sperm. I told him that's exactly what I had in mind, and he suggested that we go upstairs to his bedroom where we would be more comfortable.

His bedroom was very well furnished and contained a really huge bed. He stretched out on it, and his prick was no longer limp, it was semi erect.

I leant over him and started to run the tip of my tongue up and down his semi stiff cock. It didn't stay limp for long. After a few seconds licking, that cock of his was nice and hard again and throbbing away for all it was worth.

I peeled his foreskin back just as far as it would go and exposed the full hard beauty of his glans. It was a lovely glans, and the slit in it was quite large.

I took that hard swollen glans between my lips and began to suck away at it. I sucked slowly and gently at first, but as his cock became harder, I increased the pressure on it from my mouth, and soon his balls had tightened up and little drops of lubricating seminal fluid were dribbling from his glans slit.

He tasted very nice, all hot and salty, and then I lowered my head just a little more and took the whole of his glans into my mouth. So far in that it touched the back of my throat.

Then I used my cheeks and throat muscles to apply a great deal of suction to his shaft and glans, and he sobbed with desire, and his hands went to the back of my head, and he pushed downwards so that his glans went a good inch down my throat.

I sucked him like that for a little while, and then I just had to come up for air, and for a little while after that I just ran my fingers over his shaft and rubbed at his balls with the palm of my hands, and he loved every single second of it.

I was loving it, the taste of his firm cock in my mouth was causing ripples of pleasure to shoot through my naked body and I could feel my hot cunt juices dripping down from my pussy lips.

I used every trick I knew on that lovely stiff cock of his, and soon he was covered in sweat. I sucked and slurped away and then, after about ten minutes, he came.

I sighed and had an orgasm as his hot sperm blasted into my mouth, and I continued to suck to make sure that I drained every last drop of hot spunk from his cock. His sperm was hot and salty and I could have swallowed it down all day long, but in the end his cock went soft and slipped from my mouth.

He looked at me, told me it was the best cock sucking he'd had for a long time. Then he told me to come back to the studio that night when he would have a surprise for me. He said I would be in a film, and that it was going to be one of the most pornographic films that he would ever make.

He was absolutely right. When I returned to the studio I found him, and four naked men, waiting for me. He told me that I was going to make love with those four men at the same time.

I took off my clothes and the four men each got a full erection. Their cocks were huge and I was really looking forward to getting to grips with them.

Harry set the camera and lights up, told me exactly what he wanted me to do, and then shouted out "Action". I stretched out on the bed, opened my legs as wide as they would go, and then started to run the tips of my fingers up and down the crinkled folds of my cunt lips. The four men weren't in the first part of the film. Harry wanted to have the first few minutes just of me wanking myself off.

I pulled the lips of my pussy hole open so that he could get a good close-up shot of the inside of my cunt, and then I pushed three fingers deep inside myself and wanked myself off as fast as I could.

My hand became a blur of speed as my fingers dived in and out of my soaking wet cunt, and my thick bubbling juices poured out and soaked into the sheets. I pushed my fingers in really deep, and rubbed the tips of my long fingers all over the ribbed internal walls of my delicate cunt tube.

Then, after I'd had about six orgasms, I pulled my fingers from my cunt, held them up to my mouth and then used my tongue to suck them dry. I just love the taste of my own creamy love juices, and as they trickled down into my stomach I had another orgasm.

Then the four men came into the action. I can't remember their names, so I'll just call them man number one, two, three and four.

I was still stretched out on the bed, and number one knelt by the side of my face and I took his huge throbbing cock into my mouth and started to suck at it. I ran the tip of my tongue up and down his shaft, and then took his glans to the back of my throat and blew in and out with my cheeks.

Then I shivered with delight as I felt number two slowly ease his hard cock into my soaking wet cunt. It slid in very easily and he really did fill me up all the way He started to hammer in and out of my pussy and waves of lust ripped through my body.

His cock banged away inside me like a wild thing, and my juices started to spurt out again, but somehow I managed to continue sucking at the lovely hot cock in my mouth.

Number three came round and knelt by the other side of my face, he took his prick in his hand and started to wank himself off over my eyes and hair. I could just see his hand flashing up and down his shaft and his knob looked gigantic, I knew that when he came he would shoot a really heavy bubbling load of sperm all over me.

Well, that was three men taken care of, one cock in my mouth, one cock in my cunt, and a third cock being wanked off over my face.

That just left one cock to go, and I reached out with my right hand, grabbed hold of it, and then started to pull away like mad at his foreskin and wank him off.

It took a lot of concentration to suck, be fucked, and wank someone off all at the same time but I managed it just about. I was having orgasms from the sheer fact that I had three cocks working on. It was a dream come true. Well, let's face it, there aren't many women who can say they've had four pricks around them at one go.

We were all going mad with desire, and then the cock in my mouth gave a really massive jerk and a great spurting load of hot sperm went down my throat. I kept sucking till the prick had gone limp, and until every last drop of sperm had been swallowed down.

Then the bloke on the other side of my face really worked his prick hard with his hands. I glanced at it, saw the glans was really swollen, and knew that he was going to come at any second. I swallowed down the last drop of sperm in my mouth, and then that other cock seemed to explode in a huge pulsating shower of spunk.

It blasted out all over my face, it went in my eyes, in my mouth, over my hair, and some even managed to get up my nose. My whole face was swimming with that lovely stuff, and the man kept pulling at his foreskin until his prick went limp and the last drop of spunk had dribbled down onto my nose.

Two down and two to go. I was working hard on the prick in my hand, and at the same time I was moving my hips and bum up and down as fast as I could go and matching every single stroke of the cock that was inside my tight cunt hole.

I then pulled hard on the prick in my hand and a shower of hot sperm shot out all over my firm breasts and very erect pink nipples. The top half of my body and all of my face was now covered with sperm, and Harry had moved in close with that camera of his and was taking some lovely shots.

There was only one cock left now, and that was battering away inside my pussy hole. I clamped my legs round the man's back and pulled him down on top of me and that meant that his chest became covered with the sperm that was sticking to my tits.

He didn't seem to mind that at all, and kept slamming away inside my cunt. His prick was huge and his swollen glans was going so far into my cunt that every now and then it seemed as if it would come out of the back of my head.

Then his whole body seemed to convulse on top of me and so I squeezed at his back with my legs, and the next thing I knew was that a huge stream of spunk was filling up the inside of my pussy hole.

I was having the time of my life. I had made four men come in the space of a few seconds, and my whole body reeked with the hot salty smell of spunk.

The men went away and then I pulled the lips of my pussy wide open so that the camera would get a good shot of all that sperm swimming about inside my cunt hole, and then I wiped the rest of the sperm from my flesh and sucked it down. Then I did something that I really love doing. I pushed my fingers into my cunt hole once more and pulled out a great dollop of sperm, and the camera took in every single detail as I sucked that stuff from my fingers.

Well, that was my first blue film, and Harry was very pleased with it. He said that if I went back to the studio the next day I could make another film, this time with six men.

I thanked him, asked him a few more

A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.

questions about the blue film business, and then I wondered if he had a girl who could tell me what it was like from her point of view.

He said that Helga was one of his best models, and he sent me round to see her. She turned out to be a very beautiful girl of eighteen. I told her what I wanted and she was more than happy to tell me about her experiences in blue films and she gave me plenty of information for my articles.

I must admit that talking to her really turned me on, and she must have felt the same way, for after a while she smiled at me, and then asked me if I would like to go to bed with her.

I nodded, and pulled her towards me and kissed her on the lips. She could kiss really well, and her flickering tongue did marvellous things inside my mouth. I could hardly wait to feel that tongue inside my cunt, and so I asked if we could go into the bedroom.

Once inside the bedroom she took off her clothes, and the sight of her naked body made my juices get red hot and trickle down from the lips of my pussy. She had really huge breasts, and her nipples must have stuck out at least two inches from her skin. My mouth watered at the sight of those nipples, and my cunt ached with desire.

We jumped onto the bed and I grabbed hold of her huge firm tits and squeezed at them with my fingers, then I took her left nipple into my mouth and slurped away at it with the tip of my tongue.

She moaned with desire and her eyes went wide with lust as her nipple hardened up beneath my flickering tongue, then she yelled out loud and started to run her fingers over her other nipple.

She was one of the few girls I'd ever met who had an orgasm from having her nipples sucked, and what an orgasm she had. Her whole body writhed and twitched and her thick musky love juice flowed in a steady stream from the fleshy lips of her cunt.

I wanted to taste those juices of hers, wanted to swallow them down, wanted to plunge my tongue into her cunt just as far as it would go, and so I rolled her over on her back and told her to open her legs.

I then used the tips of my fingers and pulled her cunt lips wide open, so wide that the skin on either side was stretched very tight indeed, I then put my head down there and was able to look deep inside her love tube, and it was one of the most beautiful sights I'd seen for a long time. She was very wet in there, very wet indeed, and her juices were the creamiest imaginable. The skin inside her cunt hole looked very soft and smooth. I used my fingers again and moved that small crinkled hood of skin just inside her lips and allowed her clitoris to pop into view.

Her clit was almost half an inch long and as thick as my little finger. It shimmered and glistened and throbbed. I lowered my head and moved the top of my tongue around on that fantastic clitoris.

She yelled out and her hands clasped the back of my head. Just licking at her clit had given her an orgasm. I sucked on it, licked at it, slurped at it, and even nipped at it with my teeth.

Then I slowly pushed the full length of my tongue into her pussy hole, and her juices blasted out into my mouth. They bubbled and gurgled down my throat as I swallowed them down, and they tasted fantastic.

I rasped the tip of my tongue round the ribbed walls of her pussy hole and sucked down pints of her thick love juices, and all the time she was holding on to the back of my head and gasping with sheer animal lust.

I'd have loved to have been able to get my whole head into her pussy hole, I would have liked to have felt her juices flowing over my hair, into my eyes, and all over my face.

I licked her out until I just had to come up for air and then I asked her to suck me out. She shoved her darting tongue into my cunt and gave me one of the best tongue fucks I'd ever known. She sucked at my clit, slurped at my lips, and sucked out all my juices, and at the end of all that sweat was pouring down every part of my body and I'd lost count of the number of orgasms that I'd had.

We pulled apart, and I noticed that the lips of her cunt were pouting out all over the place, and that her creamy juices were thicker and hotter than ever.

She pushed three fingers into her pussy hole and pulled out a great sticky dollop of juice, she then held her fingers out to me, and I bent my head forwards and used the tip of my tongue to lick her juices from her fingers.

That really turned me on again and I looked round the room, saw a very large candle, picked it up, went back to bed, opened my legs, and then I pushed that candle very deep into my pussy hole. I then wanked myself to an orgasm while she watched me.

I spent a long time with her, and she told me lots of things about the blue film business. Then she asked me what I would like to see next. I told her that I'd never been to a real orgy.

She smiled and said it could easily be arranged. It seemed that a friend of hers, a guy called Kurt, owned this very large house just outside town, and he often held parties there, and the parties always turned into orgies. She said she would get me an invitation to the next one.

I thanked her, then I picked up the thick candle again and this time I pushed it deep into her cunt hole, and then I wanked her off. After she'd had an orgasm, I took the candle from her pussy hole and I licked her juices from it.

Making love to another woman is fun, but I still prefer making it with a man. So I said goodbye to her and went back to Harry at the blue film studio, but first I got Kurt's telephone number from her. I wanted to make sure I was invited to that orgy.

Harry was pleased to see me again, and he asked me if I'd like to make another blue film with him right away. I said I wasn't in the mood for that, but if he wanted to fuck me then that was alright with me.

He smiled, and in about three seconds flat we were both naked and on his bed. He made me get on my hands and knees as he wanted to screw me from the rear.

He pressed his stomach against the firm cheeks of my bum and then I gasped out loud as his hard cock slid into my soaking wet cunt from the rear. His cock went all the way in and then I felt him move his hands under my body and he grabbed hold of my tits.

I then moved my right hand backwards and took hold of his balls and tugged at them very gently. He sighed with pleasure and then started to hammer his cock into me very fast indeed. His hard glans battered against my insides, and I could feel my juices bubbling from the crinkled folds of my pussy lips and his prick was making great slurping sounds as it slid in and out of my cunt.

When he came his spunk jetted into me and I felt it splatter against the wet walls of my cunt and a massive orgasm powered thrugh me.

After his prick had gone limp, I sucked it dry for him, and then I relaxed. I would need all my energy for the orgy I was going to go to.

In the next issue June tells us about the orgy. It is something you cannot afford to miss. It goes further than any other story we have ever printed. Don't miss it.

THE SOHO SCENE

FILM ROUND UP – This month we bring you a resume of the best adult films and the best cinema clubs in London. Adult movies showing in London split into two categories:

a) CINEMA CLUBS – which show uncensored, no holds barred, 'blue' material and
b) PUBLIC CINEMAS – Showing sexy 'X' programmes. The films showing at ordinary cinemas are not as strong as those showing at the clubs. However, a few are nearly as strong and these are featured below.

Without doubt the cinema is the best and cheapest form of adult entertainment in London. for just a few pounds you can watch explicit films, in luxurious surroundings, which a few years ago would have cost you £10 or more in a cheap and nasty 'room.'. Additionally, one Cinema Club (The Cin Cinema, 32 Old Compton St. Soho) has gone as far as opening 50p preview booths, and these really do show the real thing!

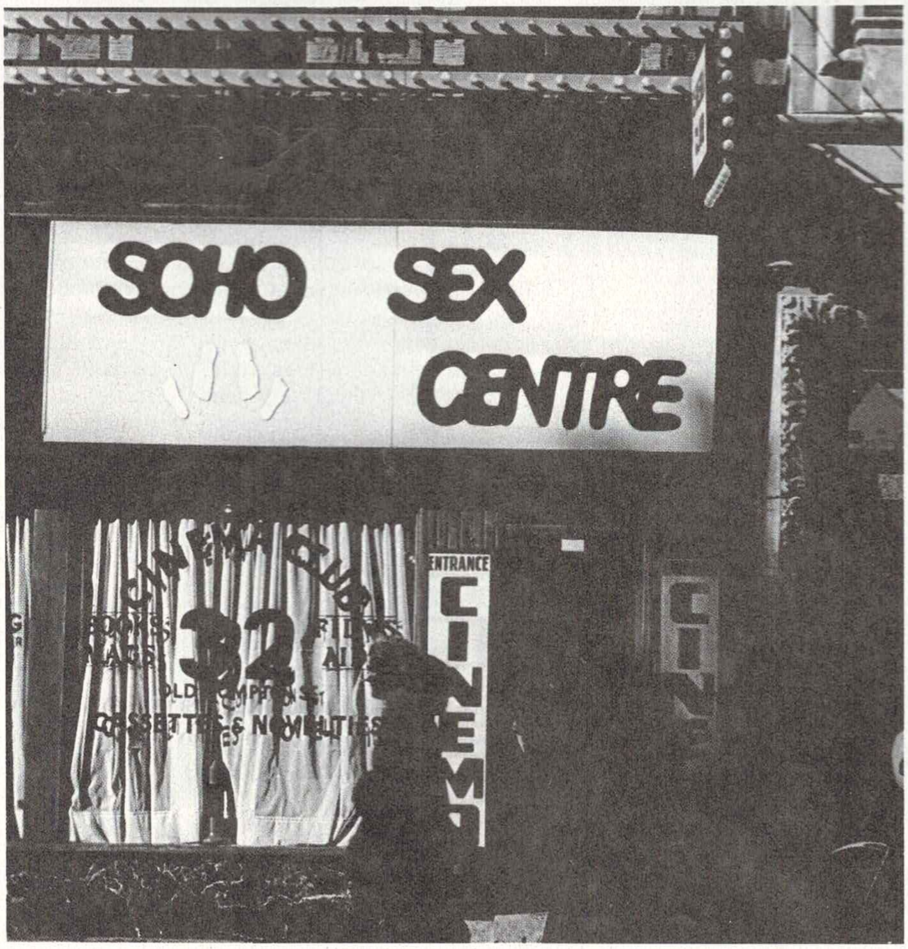
CINEMA CLUBS

There are now over fifty Cinema Clubs in Central London, some of these are still 'con' joints (ie clubs that not only overcharge, but show soft and very dated material). However, there are now one or two very good clubs, the best of which we list here. We visited 38 clubs to pick out the best 4!

i) THE EXCITING CINEMA CLUB – 18 Greek St. Soho. This cinema club is very conveniently located just a few minutes from Tottenham court Rd. and Piccadilly Circus tube stations. It is the best cinema club in London, showing the very best films on two Big Screens. The Club is open from 11.00 daily, 7 days a week, till late. The club is luxuriously decorated and is soon to open a VIP section with luxury armchairs and free drinks to members! So join now, annual membership £1, as membership will close shortly on this club.

ii) THE SOHO CENTRE, 32 Old Compton St. Soho. We list this club as it shows genuine, uncensored films AND it is the cheapest cinema club in Soho. It's open 7 days a week and is just around the corner from the Exciting Cinema Club. The club offers film shows from 50p! Don't miss visiting this club, it has Video, 16mm, and booths.

iii) SWEDISH PARADISE CINEMA CENTRE, 24 Brewer St. London W.1. (one minute from Piccadilly Circus Station). Shows exclusively Swedish material. Luxuriously decorated, probably better than any public cinema in London. Another cinema club that is well worth a visit.



SEX SHOPS

A few are worth a visit – with a wide variety of stock at reasonable prices.

CINEMAS

There are numerous cinemas in Central London that show adult movies, however many are out to 'clip' the tourist, showing poorly made, old, dubbed, foreign films (often retitled, so that you end up seeing a film you saw five years earlier under a different name!). However, there are a few exceptions and we suggest here three programmes that are really well worth seeing.

i) CONFESSIONS FROM THE DAVID GALAXY AFFAIR – showing from Thursday June 28th at the EROS CINEMA (which is right on Piccadilly Circus), London. This is our five star rating of the year, a really fabulous film and one not to be missed. 'Confessions From The David Galaxy Affair' can only be described as a 'blue' comedy, as it is both humorous and sexy. It combines the sexual talents of Mary Millington, Rosemarie England, and a host of beauties (including Miss Birmingham and Miss Bournemouth) and the comedy talents of Diana Dors, Alan Lake, Bernie Winters, Anthony Booth, Queenie Watts, Glyn Edwards... 'Confessions from the David Galaxy Affair' is a very funny sex film that will appeal to both male and female readers. DON'T MISS IT!

The film is also showing this Summer at the Studio cinema BLACKPOOL and the Empire Cinema (late night shows) Great Yarmouth. We

urge all readers not to miss this exceptional film.

ii) QUEEN OF THE BLUES + MASSAGE GIRLS IN BANGKOK – these are two very good films, combining to make a tremendous value for money programme. In 'Queen of the Blues', Mary Millington plays a Swedish Blue Movie Star who appears in a Soho sex club, the story revolves around the sex lives of the artists. In contrast 'Massage Girls in Bangkok' is set in Thailand's naughtiest city and shows you what really goes on in Bangkok's red light district. These two films represent an exceptional value-for-money programme – two BRAND NEW, FULL-LENGTH, feature films for the price of one. Showing from July 26th at the Centa Cinema, Piccadilly (Piccadilly Circus End), London. Because of the highly explicit nature of both these films it is unlikely that they will be shown outside of Central London, so readers are once again urged to travel to see these films or miss out altogether!

iii) EMANUELLE MEETS THE WIFE SWAPPERS + COME PLAY WITH ME – no film review can pass without giving this really great 'double bill' a plug. It's showing 7 days a week, late show nightly at 11.00pm, at the Moulin Cinema, Gt. Windmill St. Soho. 'Come Play With Me' was Mary Millington's first starring role, as a nympho nurse at a sexy healthy farm. 'Come Play With Me' is a funny little film, it's now in its third year at the Moulin and the LONGEST RUNNING BRITISH FILM OF ALL TIME. 'Come Play With Me' is one for the film 'buffs' and a real collectors item. In contrast 'Emanuelle Meets the Wife Swappers' is a hard hitting Continental film, that leaves nothing to the imagination. It is packed with nudity and action from end to end. This great double bill runs for nearly four hours, and it can be seen at selected local cinemas all over Britain as well as Central London.

We sincerely hope that lots of you find the above information of interest, we assure you that you can save wasting a lot of hard earned cash by taking our advice and going just to the 'selected' places listed above.

LEILA

JUST ANOTHER BEAUTIFUL SEXY ACTRESS

Meet LEILA, she's just one of the beautiful and sexy actresses who appear in the new erotic movie 'EMANUELLE MEETS THE WIFE SWAPPERS'. The film tells the story of a young girl who has just left an exclusive Swiss Finishing School, she goes to college and does a thesis on 'contact' magazines. Obviously, she is corrupted by the kinky people she meets, including a FEMALE sailor. 'Emanuelle Meets The Wife Swappers' features all forms of explicit sexual activity, including Duo, Group and Les Action. The pictures here are not stills from the film. Leila is just one of thirty or so really beautiful actresses from Denmark, Sweden, Germany and Holland who are featured in 'Emanuelle Meets the Wife Swappers'. This is a film NOT to be missed by all lovers of really good sex films – it's a hard, but erotic film, a real blue movie. However, whilst it's naughty it's also funny, so it will probably appeal to lady as well as male readers. 'EMANUELLE MEETS THE WIFE SWAPPERS' is showing NOW at the MOULIN CINEMA, Gt. Windmill St., Soho. It is showing from 11.15am daily, continuous performances – with a late show nightly at 11.00pm. We urge you NOT to miss this film!
Because of it's nature, this film will NOT be shown at many cinemas around Britain, it will be on a VERY RESTRICTED release – so we urge you to TRAVEL TO SEE THIS FILM.

MASSAGE GIRLS OF BANGKOK

Sally Gieves had been on a modelling trip to Australia. The bright young photographer whose commission it was has decided to use the back-drop of the Great Barrier Reef in his shots of expensive beachwear, and Sally had been only one of five English girls privileged to soak up the unseasonal warmth of Northern Australia in the middle of January. After that had come a few days in Darwin, and then is was time to fly back to England. Sally had never been much of a traveller, and since she remembered only too well how exhausted she'd been on arrival down-under, she was happy to let the rest of the party go straight on from Bangkok while she found an air-conditioned hotel not too inconvenient for the airport, and went to sleep for ten hours....

On waking, she felt stiff and moody, and this feeling persisted all through the evening. Her flight home was due for the following midday, and the thought of spending the entire time cooped up in the hotel was anathema to her sense of freedom. What to do? Back home in London she would at this time of day be soaking in a long hot tub after a hard day's modelling. Not the world-wide success she had always planned to be, Sally was yet sufficiently highly regarded to have plenty of well-paid and glamorous work in the modelling world, and her near-perfect body had graced many a hoarding and billboard, clad in undies or swimwear; her face was rather blank without makeup, not to say plain, but with her honey-blonde hair and graceful curves, she could be assured of another ten years in the business at least. She was nearly twenty-one, fanatically healthy and glowing with vigour, and here she was staring out of a hotel window in one of the most exciting cities in the world, feeling depressed! There was only one thing for it: she'd have to take the bull by the horns and find herself a massage parlour – *that* ought to straighten her out!

Having donned undies, skirt and blouse, and slipping her elegant feet into a pair of open-work sandals, Sally trotted down to the foyer and out of the hotel, perfectly conscious of the horny stares which followed her trim figure, but too accustomed to being leered at to pay any attention to the men who undressed her with their eyes as she passed. Indeed, her only cause for concern would have been if her every hip-wiggle were *not* the subject of randy interest! The model had enough poise and natural self-confidence to walk down any street in the world on her own, and even in licentious Bangkok, where a pretty white girl might well end up as some dejected sex-slave if she didn't keep her wits about her, there was nothing to cause her alarm, not even when a gang of Thai youths began walking alongside her, trying to grab a feel; with the tips of her pointed fingernails she deftly gouged into the sensitive skin on the inside of a groping wrist, and it wasn't long before they gave up in preference for easier prey. And then, all at once, she was standing outside a scruffy building above whose door a neon sign said, in Thai and English: LOTUS MASSAGE. Well, it seemed worth a try, anyway.

As soon as she was inside the front door, standing in a sort of waiting room at the front of the parlour, Sally was conscious of

Readers may be interested to know that the greatest sex double bill of all time – two brand new sex films for the price of one – QUEEN OF THE BLUES (where Mary Millington and Rosemarie England play the Blue Movie Stars) and MASSAGE GIRLS IN BANGKOK (which really shows you ALL that goes on in Thailand's red light district), is showing for a short season from July 26th at the Centa Cinema, Piccadilly (Piccadilly Circus end), London. This programme, because of its explicit nature, is unlikely to be seen outside of Central London and we urge readers to travel to London to see it.

"SALLY HAD NEVER HAD A FULL LESBIAN EXPERIENCE BUT IN HER YOUTH SHE'D PLENTY OF FEELING AND FINGERING..."

the fact that her presence wasn't exactly expected: the four male customers waiting to be serviced gawped at her as if she was a being from another planet – three were Thai or Chinese and the fourth was a sturdy redheaded westerner, who actually managed to blush when he heard her speak in her clear educated English voice to the madam, demanding a massage. The old woman who was in charge of the place smiled in embarrassment and spread her tiny hands in a deprecatory gesture, but Sally, used to getting her own way wherever she was, and seeing no reason why the services of a massage parlour in Bangkok or anywhere else should be an exclusive male preserve, persisted with the utmost of her considerable charm until the madam shrugged and ducked quickly back through a curtain, presumably to get a second opinion. For a minute or so then, the slinky model was left standing in the middle of the four gaping men, all of whom might be supposed to be trying to sort out exactly her motive for coming here. Could she be a rich international lesbian, they wondered? Or was she perhaps an *agent provacateur*, sent by God knows what trouble-making authority to stir things up? She was too smart to be a hippy, too calm and poised to be a nutcase. And of course, she did have a marvellous body on her...

The madam returned and ushered Sally through the curtain, presumably not wishing her to remain in the waiting room and embarrassing the regular clientele, and the English girl felt a thrill of triumph course through her: she had, after all, penetrated male sanctuaries before, notably in St. James's, and she took a girlish pleasure in being accorded the rights of men. She followed the madam into the massage room, where a small, giggly Thai girl dressed in teeshirt and shorts was awaiting her. As Sally began to undress, she heard an answering giggle from the other side of the small chamber, and looked up to see a pair of glittering dark eyes regarding her intently through the slats of a shutter. She asked the masseuse who this might be, and on being told that it was one of the younger girls, the model invited her in to help out with the massage – after all, she might earn her money by posing for the camera, but she had no desire to spend her leisure-time as the subject of a peep-show. The door was opened and in stepped another slim girl, who was introduced as Lek. The elder masseuse, who must have been Sally's age, although looking far younger, spoke reasonable English, and told the English girl that her own name was Mayuree and that she was looking forward to seeing a glamorous western girl in the raw.

Now Sally had never had what might be termed the full lesbian experience, but of course in her youth she had done plenty of feeling and fingering on her own account, and being such a beauty herself, had been the object of much feminine lust throughout her life. The farthest she had ever gone in this respect was when a ravishing brunette had sucked her off in the empty gym, but since then she had restricted herself almost exclusively to the opposite sex, of whom she could pick and chose as she pleased. However the presence of these two slinky, dusky girls and the undeniable exotic environment of the massage parlour made her relax her inhibitions somewhat, and she found herself half-wishing for a sexual assault at the hands of the masseuses. Still, for the time being all she had to do was to disrobe, helped by the young Lek, who took each garment and folded it carefully in a corner as the fabulous body was exposed bit by bit. The sight of Sally's creamy bristols swinging out from her brief bra excited much admiration in the Thai girls, and they chattered to each other while she un-

"SALLY LONGED FOR ORAL SATISFACTION AND SOMEHOW SHE HAD TO MAKE HER FANCY KNOWN..."

dressed, obviously comparing notes on anatomy, and getting more and more intrigued as more of the model's fine form was revealed to their gaze. The skirt came off next, showing the tight pink satin knickers she'd put on, and she was at a loss to know what was occasioning more interest, the panties themselves or the gorgeous quim and bottom they contained. Lek caught her breath to see Sally's blonde fuzz frothing up over her pouting outer lips like a golden beard, and the sheer grace and smoothness of her buttocks and thighs elevated her practically to the status of a goddess. But before any religious element started entering into it, she really did want a proper massage!

First of all she was invited to lie on her front on the table, and as soon as she was in position, the two masseuses set to work, one at either end of her gorgeous prone body, manipulating the tension out of her muscles and generally relaxing her all over. It was heavenly to lie there and be pummeled and kneaded from head to toe, feeling the stiffness ebb from the small of her back and her creamy flanks, revelling in the sensation of being liberated from tension she hadn't known was there. In the space of ten minutes, with oils and bodyrubs and dazzling manual technique, the two girls had soothed her to the point where she felt as though she was floating on a cloud of cotton wool, suspended somewhere above the table. If only the other models could see her now as they shivered in snow-bound England! At a signal, Sally let herself be turned over, exposing the more interesting side of her body to view. Noticing that the girls had worked up a bit of a sweat, she invited them to strip off, and watched with keen interest while they took the hint, showing a couple of neat, slim bodies with little pointed dugs and sexy bottoms. They were obviously used to working in the nude, and there wasn't the slightest trace of embarrassment on their pretty faces, despite the fact that they were servicing a woman.

Now the business was that much intimate, and Sally delighted in the whiff of fresh sweat she caught from their bodies as they swung back into action. Mayuree, the slightly bigger of the two, set to work on her shoulders and neck, commenting on how fine her muscle-tone was, while Lek started off at the other end, handling her feet and calves and then the lower half of her thighs. Soon Mayuree was tugging at the upper slopes of Sally's marvellous knockers, and for the first time she felt a genuine sexual response to the clever, busy fingers. The bulk of her tits lifted and fell as the girl stretched over her, making her own little boobs swing delightfully together and apart again as she worked, and Sally thought the naughtiest thoughts, wondering what the reaction would be if she were to catch one of those sexy, tantalising teats and pull the pointed nipple to her lips. But already the opportunity was past, for the girl had gone below the overhang of Sally's knockers, and was steadily approaching the centre of her being, the fuzz-fringed lips of her panting pussy...

The two masseuses were now using their hands on either side of Sally's crotch, Lek rolling the flesh of her inner thighs and Mayuree massaging the smooth, slightly rounded lower belly at the point where it began to swoop into the luxuriant thicket of her muff. Already the English girl could feel warm throbbing waves of lust flowing up from her cunt, and since she hadn't come for several days (and then only through the agency of a quick brisk frig in a loo) it was obvious that only a little more pressure would be required to send her over the edge. Accordingly she raised herself to lean on her elbows and watch the two Thais as thy crossed the final frontier and began to work thin oil into her bush. Lek raised one of the blonde's legs to get at her crotch the better, and said something in rapid tones to her colleague, presumably commenting on the size and shape of Sally's quim. There was no longer any pretence about what was happening now: the Englishwoman was so obviously in need of full relief, that to stop at this stage in the proceedings would have been cruel indeed – Lek parted the moist gash with her clever fingertips and started worming them into the hole itself, feeling the strong muscles close round her probing fingers; at the same time Mayuree flicked the wrinkled, distended clit and rubbed briskly over the pubic bone, and under this combined assault Sally sat up on the table and came convulsively, her lovely thighs clutching at Lek's arms, her tits heaving all over her chest in the throes of ecstasy.

Her climax was so intense that the girls who were wanking her paused in their effort and looked at each other with quizzical expressions on their pretty faces. Had they gone too far, or was this tumultuous heaving and moaning and threshing precisely what the Englishwoman had come for in the first place? They waited for the orgasm to subside before proceeding with the genital work-out, and when Sally reached forward and stroked their hair with her hands, they both smiled at such encouragement. After all, it was their job to satisfy the customers at the parlour, and if one of these customers turned out to be a randy foreign woman with a near-perfect body which was a delight to touch – so much the better! In the midst of her overwhelming response Sally longed for oral satisfaction, and somehow or other she made her fancy known, miming the action of cunnilingus with her own lips and tongue until the girls got the point. At this there was great merriment and tittering, but it didn't take much to persuade young Lek to prove her talent in this department...

First of all the blonde was invited to move down the table so that her sumptuous bottom was splayed on the bottom edge of it, her legs hanging to the floor and wide apart. Then Lek knelt between her knees and breathed warmly over her open gash, her thumbs rubbing the outer lips up and down as she prepared to eat her out. At the same time, Sally motioned for Mayuree to sit alongside her, reflecting that it wasn't often she had the opportunity to indulge herself in such a fashion, and she might have to wait for years before being presented with such a chance again. There was no longer any trace of inhibiton in her, and she embraced the sexy Thai girl with open arms, kissing the smiling face and fondling her tits. Mayuree responded in kind, and soon

"THE YOUNG THAI GIRL LICKED HER WAY UP SALLY'S WET GASH, FROM THE BACK TO THE TOP OF HER CLIT..."

the two girls were stroking and sucking each other's knockers to their heart's content, pausing only for the occasional tongue-kiss, or to see how Lek was coming along below them.

The young Thai girl first licked her way up the height of Sally's wet gash from the back to the top of her clit, savouring the tang of cunt-juice streaming from the hole itself, until the smooth warm thighs of the white girl twitched together and threatened to crush her little bobbing head between their firm strong flanks. It took some effort to persuade the legs apart again, but Lek finally managed it and started sucking portions of pussy out from their resting place, distorting the walls of the sheath and nibbling all over as if genuinely wanting to eat it. Sally kept her knees open with a great effort as she felt another climax welling up inside her, and concentrated on fingering Mayuree's crotch for all she was worth, finally forcing her to kneel up on the table with her bottom cleft by Sally's chin and her quim pierced by her greedy tongue. This was the first time that the blonde had ever sucked a ripe cunt in her life, and the sensation of being eaten out and having such a delicious sexy weight pinning her head down at the same time was enough to make her come off like an express train, moaning and sobbing into Mayuree's silken loins and nearly throwing her off in the violence of her reactions.

The English girl hadn't had so much fun at the same time since she was picked up by a couple of sailors coming home from a party and spent the night with them in a cheap hotel. It took five minutes to recover from her second orgasm, and when that was over she was still keen for more action. The three girls smoked cigarettes and drank some green-leaf tea, and when it became obvious that Sally had settled in for a full session, nobody cared about how long she was keeping the parlour's employees occupied. Lek and Mayuree both seemed perfectly happy to indulge this blonde beauty in her every whim and fancy, content to be stroked and fondled in turn or in tandem, and when their client suggested that she would like to spread her legs and take a dildo in her cunt, much enthusiasm was shown for her plan. It was the work of a few minutes only to have the tea things cleared away and a complete range of dildos produced, slotted in a portable rack and graded according to size from two inches to ten, and proportionately thin or thick. There were belts and straps to harness these cock-substitutes to the loins of whoever was chosen to do the fucking, and after some deliberation, feeling rather like a little girl faced with a fabulous array of goodies in a sweet shop, Sally selected a thick nine-inch job for Lek to strap on, and made the young girl fuck her over the side of the massage table.

It was obvious from the first that the young apprentice masseuse was not very experienced with the dildo, but under Mayuree's tuition she did her best with the mighty prong sticking out from her loins, and once she had managed to spear Sally to the hilt, it was plain sailing – all she had to do was catch hold of the blonde's meaty bottom and fuck her steadily while her colleague sex her up from behind. Lek was directly stimulated by this activity and in fact came off before the girl she was shagging, her whole body trembling in the throes of orgasm as both Sally and Mayuree increased the pleasure by fondling and fingering her until the climax subsided. This put an idea in the model's head, and she made Lek withdraw and unstrap herself. Mayuree was then invited to harness a curving dildo of four inches and fuck her workmate up the cunt from behind, while Sally gave the little Thai girl her breasts to suck. It didn't take long to get in position, and as soon as Lek's pretty buttocks were raised in the air, the bigger girl parted her cunt-lips and rammed home, making her victim cry out at the sensation of being suddenly plugged by hard rubber.

Mayuree proved to be something of an expert at this game, and by means of subtle humping motions from the rear soon had Lek grovelling in the throes of yet another climax. Sally pulled her tits away from the little hands and mouth and quickly strapped on a six-inch job, went round behind Mayuree and inserted the end of the dildo into her cunt, jamming the cock-substitute in to the hilt until the masseuse shook all over and surrendered herself to orgasm, pinned between the buttocks of her friend and the thrusting hips of her customer...

Not content with this, Sally once more rang the changes: she made Lek furnish herself with a slim dildo four inches long, while Mayuree replaced it with the full ten-inch middle-leg, and both Thai girls were apprehensive about Sally's ability to take such a monster. However, Sally got the older girl to stand with her bum on the edge of the table for her to climb onto the prong of that mighty dildo, and once Sally had impaled herself all the way, her cunt-lips stretched to encompass its rigid girth. The sensation had the inevitable effect on the blonde's nervous system, and while the masseuses gently rocked her fabulous body between them she came off in the most shattering climax of her life. When it was all over, of course, she felt a little ashamed of the way she'd let her feelings run away with her, but knew all the same that she'd made two firm friends, and that if ever she was back in Bangkok there was one massage parlour at least where she would always be welcome.

DIANE DREAM & FRIENDS!

FILM STARLET OF THE MONTH

Each month in this section we bring you photographs of one of the top, up and coming actresses from Britain, Holland, Germany, Sweden, Denmark or America. These are the best looking up and coming FILM STARLETS. This section is devoted to the up and coming Diane Dream from Sweden. She has just made her British screen debut in the very controversial sex comedy 'CONFESSIONS FROM THE DAVID GALAXY AFFAIR'. The latter is a really superb sex comedy that will appeal to men and women alike. It revolves around the sexcapades of friendly con-man and astrologer David Galaxy. This film will really appeal to all readers named David, (or any readers with friends or relations named David) – as they'll really be able to associate with the character.

'Confessions from The David Galaxy Affair' is a really big budget sex extravaganza, and it's both erotic and funny. This unique combination of humour and explicitness allows the film to get away with showing really strong sequences without being offensive, in this way the film becomes sexy, but acceptable. 'Confessions from The David Galaxy Affair' will appeal to both sexes, so we urge you to take your wife or girlfriend to see it; it's guaranteed to turn BOTH sexes on! David Galaxy is the man every man would like to be – he's not that good looking, but by cunning, charm and using his brain and his wits, he manages to bed most of the women he meets. Galaxy has made love to over 5,000 different women – he shows you how to do it in 'CONFESSIONS FROM THE DAVID GALAXY AFFAIR', you'll be a different man after you've seen this film! God help any girl you go out with, with all the new techniques David Galaxy will show you, she'll be no match for you! So if you want to improve your sex pulling power and see more of the very lovely Diane featured here, (although we would point out that these are not stills from the film),then we urge you to look out for 'CONFESSIONS FROM THE DAVID GALAXY AFFAIR'. showing NOW at the Eros Cinema, Piccadilly Circus: see this months editorial for full information. Because of its very explicit nature, this film will not be showing nation-wide, so look out for it – if it comes to a cinema within 100 miles of where you live, we urge you to travel to see it!

Magazine fans who'd like to see more of Diane, will be pleased to know that there is a large colour set of her, (and very naughty too, we might add), in the new 100 page, colour, all sex magazine 'ROMP'. So why don't you do a little 'ROMPING' and meet the 'ROMPING' girls that it features? ROMP is available from the newsagent who sold you this magazine, just £1, (in case of difficulty, send £1.10 for a sample of Romp, mail order, or £12.00 for a subscription, to: Romp Magazine, 34 Upton Lane, London E.7.).

SEX STARVED WOMAN

Introduction: For over six months Lisa Jones worked in the backwoods of Canada writing a book. She then flew to London, handed the book to her publisher, and then went looking for some hard sexual adventure. In those six months in Canada she hadn't even seen another man or woman, and so, by the time she reached London, she was a very sex starved young lady. This is her story of that sexual rampage in her own words.

For six months I hadn't had a cock inside me, I hadn't been fucked by one, I hadn't sucked one, and I'd almost forgotten what the taste of sperm felt like inside my mouth. I also hadn't been able to screw with another woman.

As soon as I got back to London I decided to go on a right sexual binge. I wanted to fuck and screw and suck everything in sight.

I found myself a nice little flat in Chelsea then I phoned up a few of my old friends. Trouble was that some of them had moved away, some of them had got married, and some of them didn't want to know.

Sod them, I throught. I'll have a shower, then go out and see what the big city has to offer. I went into the bathroom and turned on the shower, then I took off my clothes and inspected every single part of my naked body. Looking at myself like that really turns me on.

I have firm breasts, pink nipples, long legs, and really crinkled vaginal lips. Yes, I'm a good-looking woman, and at twenty-seven years of age I've still got a lot of living to do yet.

I got under the hot water and washed myself all over, and I found that touching my skin with the sponge was really starting to turn me on. So I pushed the thick slippery bar of soap into my quim hole and started to wank myself off with it. That soap slipped very easily into my tight little cunt hole, and very soon my thick pussy juices were flowing out and dribbling down the inside of my thighs where they were washed away by the hot flowing water from the shower head.

I wanked myself to a lovely orgasm and then stepped from the shower and dried myself off. I noticed that some of my cunt juice was still trickling from my lips and so I wiped it up with the tips of my fingers and then sucked at my fingers with my tongue. I shivered with delight at the taste of my own cunt juice, and I had another orgasm.

I was dying to get a cock stuck into my pussy hole, I was also dying to push my tongue into another woman's love tube, so I got dressed and took a taxi into Soho.

I decided to get myself worked up first and so I went into this blue film club in Greek Street. The films there were out of this world and got me really randy. There was one film where this woman was on the floor and standing over her were six men. These six men wanked themselves off over her, and at the end of the film her entire naked body seemed to be covered in thick spunk. I envied her a lot.

Film followed film, and each one was better than the last, and by the time I walked out of that club I was ready for anything.

Several men tried to pick me up, but they didn't look my type. I then found myself standing outside a strip club, and the bloke on the door gave me a real old-fashioned look when I bought a ticket and went in.

The first couple of acts weren't very good, and I was just about to leave when this glorious looking bird walked out onto the stage. I gasped in amazement. I knew her. She was called Susan, and we used to share a flat together before I went to Canada. She had been a model then, I wondered what the hell she was doing in a strip club.

I went round to the stage door when she finished her act and talked my way into the dressing room. She was pleased and delighted to see me, and she told me that she had appeared at the club for a bet.

I told her that I was looking for sex, and she smiled and invited me to go back to her place with her. I also told her that I was dying to get a cock into my cunt after six months away in the backwoods, and she grinned again and said she could arrange that as well.

We went back to her flat and she made me a cup of coffee and then we talked about the old days for a little while. I could see her looking at me, and I noticed a gleam of sexual excitement in her eyes. I knew that she was feeling as randy as I was, and I also knew that she was bisexual – after all, I should have known, for when we shared a flat together we used to fuck each other almost every night of the week.

She suggested that we go into the bedroom. I agreed with her. She undressed in front of me and her naked body was a sight for sore eyes. She had a firm body, large breasts, and a really delightful pussy hole. She asked me how long it had been since I'd last been sucked out by another woman, and I told her almost seven months.

She smiled, and said she would more than make up for it, and she slowly undressed me and then took me over to the bed.

She kissed me on the lips, and the tip of her tongue went deep into my mouth and soon I was lapping up her saliva as it dribbled into my mouth. As she kissed me she rubbed her breasts against my own breasts, and her hard nipples, digging into my skin, sent ripples of sheer lust racing through my body.

We were kneeling and facing each other while we kissed and she placed both her hands on my back and stroked me there, and

then her hands moved downwards and I gasped out loud as her fingers started to flutter over the firm cheeks of my bum.

She kissed really well, and I forgot the previous six months, I forgot my lack of sex, and I abandoned myself to an orgy of lust with that beautiful girl.

She pulled me down on the bed and then made me stretch out, and then she started to kiss and suck at my breasts and nipples. It had been so long since a woman had done that to me, that I had an orgasm on the spot, and then another one, and then yet another.

I could feel my juices boiling up inside my cunt hole and I could also feel them dribbling from my crinkled cunt lips and running down the insides of my thighs.

She sucked my right tit for a very long time and my stiff erect nipple almost doubled in size, then she slowly moved her head down my naked body and then I screamed with sexual satisfaction as her lips moved up and down the fleshy folds of my cunt lips.

I had almost forgotten how wonderful it was to have my pussy hole licked in that way, and I lost count of the number of orgasms that blasted through me.

I ganced down at her and saw that her face was all wet and sticky from where my hot creamy pussy juices had spurted out, and she winked at me, licked her lips, then used her fingers to pull my cunt lips wide open.

She looked inside my pussy hole, and then she told me what a fantastic sight it was. She said she could see all my pink ribbed skin and my thick juices bubbling away deep inside my tube.

Then my whole body shook and convulsed as she plunged the full length of her tongue into my cunt hole. I had a massive climax as she slurped away and drank down my sticky pussy juices, and then I had even more orgasms as the tip of her tongue moved softly and very gently all over the delicate lining of my love tube.

She really did love the taste of my quim juices, and she sucked away inside my cunt for one hell of a long time. She was glassy-eyed with desire when she at last raised her face from my pussy hole, and she sighed and said that I still tasted as good as ever.

I then told her that I hadn't tasted any pussy juice, except my own, for the past six months. She smiled again and then she stretched out on the bed and opened her legs just as wide as they would go.

I dived down between her legs and saw that her pubic hair was all sticky and matted from where her juices had run out, and I took a deep breath and sighed as the heavy musky scent of those juices went deep into my lungs.

I then pulled her juicy cunt lips wide open with my fingers, took another deep breath, and then plunged my tongue into the first cunt I'd had for such a long time.

It was wonderful, really wonderful. That hot thick juice of hers streamed into my mouth and I swallowed it down just as fast as I could. Her juices were smooth and creamy and slightly bitter, just as I had remembered them.

I rasped the tip of my tongue over every single part of the inside of her quim hole and slurped away at her sexy thick juices, then I took her clit between my lips and sucked hard on it, and that gave her a great orgasm. I then pulled her quim open even wider and shoved three of my fingers in there, as well as my tongue, and gave her a combination tongue and finger fuck, and she loved that, she really did love it.

I then pulled my face away from her quim, and keeping some of her juices inside my mouth, I moved up her body and kissed her on the lips, and then I allowed her own pussy juices to trickle from my lips and go into her mouth, and she swallowed them down with a great deal of delight.

I stayed with her for a couple of hours, and although it was fine screwing with her I was still dying to feel a great throbbing cock inside me. I told her this, and she reached out for the phone, called up Robert, who was a boy friend of hers, and told him that I would be coming round to see him in about an hour. She then gave me his address, told me that he had one of the biggest cocks in the business, and that I would have a great time.

She was dead right. He opened the door to me and he was stark naked, and his huge cock stuck out in front of him like a bargepole. It was a good ten inches long and must have been as thick as my wrist. He invited me in and showed me into the bedroom.

"I haven't had a cock inside me for six months," I said. "I also haven't tasted sperm in all that time either. I hope you've got enough inside you for what I want?"

He smiled, and then replied. "I've never had any complaints yet. What d'you want to do first, do you want to suck or fuck?"

I took off my clothes, waited until he had finished feasting his eyes on my naked body, and then I said: "You just stretch out on the bed and don't do anything at all. I'll suck you off first, and then later you can drive that huge weapon of yours deep into my cunt."

He nodded his head and then stretched out on the bed, and I looked at his cock again and thought that I would have to be very well lubricated indeed to get all of that into my pussy hole.

I got onto the bed and then placed my face very close to that wonderful penis of his. It was throbbing away like mad, and I noticed that his balls were well hung and that his thighs were strong and firm. I fluttered the fingers of my right hand up and down the throbbing shaft of his cock, and he sighed with pleasure. I sighed as well, for it seemed like years since I had last held a good-looking cock like that in my fingers.

I pulled at his thick foreskin and it slipped down very easily and exposed the full swollen

beauty of his glans. There was a large slit in the top of his glans and I reckoned that when he came he would shoot out an awful lot of spunk from there.

I then held his shaft in both my hands and lowered my soft lips to that wonderful glans of his. I took it gently between my lips and licked and sucked at it very softly indeed, and I was well rewarded when he moaned with desire and his cock throbbed away harder than ever.

I also loved the taste of his firm penis. It was hot and salty, and that was just the way that I liked it.

I vowed there and then never to go back to Canada and hide myself away, not if it meant missing out on such a fantastic cock as this.

I lowered my head just a little bit more and took that knob of his all the way into my mouth. It went in so far that it touched the back of my throat, I then closed my lips over his shaft, took his balls in my right hand, curled my tongue under his glans, and then I sucked and slurped away just as hard and as fast as I could.

His body twisted and writhed and that cock got bigger and bigger the more I sucked at it, and little drops of clear seminal liquid oozed from that slit in his glans and trickled down my throat.

I could feel my own juices start to dribble and bubble from my pussy lips, and I also felt my cunt lips swell up with passion and lust for the cock that I had in my mouth. I knew that my cunt was dying to feel his cock inside it, but I was also dying to get my first taste of hot sperm for six months, and my mouth won the battle.

I bobbed my head up and down over that wonderful cock of his and at the same time I was playing and fondling with his marvellous balls.

He was good, I'll give him that, and he lasted for a very long time. But I was also good, and I couldn't wait for ever to get that sperm of his into my mouth.

I used every single trick that I knew, and in the end his thick throbbing cock jerked away in my mouth, then he gave a great shout, every muscle in his naked body went tense, that slit in his glans opened up fully and then a really massive stream of hot spunk blasted into my mouth.

I had an orgasm right away. That spunk of his was so hot and so salty, and so thick, that I didn't stop having orgasms until every single last drop of his sperm had been drained from him by my flicking tongue and pulling fingers.

Then I swallowed the whole lot down. I love taking sperm down my throat, it slides down so very easily and as it reaches my stomach I always have an orgasm.

I looked at his limp prick and sighed, then I thanked him for shooting so much sperm into my mouth. He smiled and said that there was plenty more where that came from, and that it would only take him a few minutes to recover.

While we were waiting for him to get hard again, I pushed three fingers of my right hand deep into my cunt hole and wanked myself off. He placed his face very close to my cunt hole so that he could watch my fingers plunging in and out, and he said that he just loved the way my juices spurted from my quim lips and soaked into the sheets on the bed.

I then pulled my fingers from my juicy pussy hole and placed them in my own mouth and sucked them dry, and as I did this I noticed that his cock had

got really hard and throbbing again. I decided that my quim hole was now well lubricated enough to take that massive weapon all the way in, so I rolled over on my back, opened my legs very wide, and told him to fuck me.

He didn't need a second invtation. He got between my legs and then rubbed the hard head of his swollen gans up and down the soft fleshy lips of my cunt.

I had a beautiful orgasm as he did this to me, for that glans touching my cunt lips was a wonderful experience. I felt my juices flood from me, and then I got what I had been waiting for for the past six months.

He took a deep breath, eased his strong hips forwards, and then slid the full length of his throbbing wonderful cock all the way into my cunt hole. In and in it went and he didn't stop until that swollen glans of his had made contact with the opening to my womb, and when that happened I had the greatest orgasm of my life.

I clamped my legs round his back and then clawed at his shoulders with my hands. I had never felt anything quite like it before. His cock was so huge inside me that for a few seconds I thought he was going to split me right up the middle. I then began to move my hips and bum up and down, and he soon got the message. He plunged his cock in and out with great deep thrusting strokes, and as the hard swollen head of his glans battered against the lining of my cunt walls, I had so many orgasms that I lost count.

He started to sweat as he built up speed and soon he was going at it like the clappers. My cunt had never been so full of cock before. The walls of my pussy hole were stretched out as wide as they would go, my clit was an inch long and vibrating away like mad, my juices were pouring out like a waterfall, and I could feel his hard balls banging into the soft flesh of my thighs. It was, without doubt the best screw that I'd ever had.

I then joined in just a little bit more. I used my fingers on the firm cheeks of his bum, and at the same time I squeezed at his cock with the full force of my cunt muscles.

He came down on top of me and kissed me on the mouth, and I drove my tongue between his teeth and let my saliva dribble into his mouth. He winked at me and then swallowed it down.

Then he put a hand between us and began to play with my right breast and erect pink nipple, and this sent more and more waves of pleasure coursing through my naked heaving body.

All that existed for me right at that moment was that huge cock inside me and that naked body of his on top of me. Then I felt his glans grow a little bigger inside me, and I felt that cock start to jerk away even more, and I knew that in a very few seconds he would come.

He realised this as well, for he stopped fucking me, pulled his cock out so that the glans was just touching my lips, then he took a deep breath and gave me the most massive deep stroking thrust into my cunt that I had ever known.

And the very next second his huge cock seemed to explode in a torrent of hot blasting sperm that pulsated and showered into me at the speed of light. I had a magnificent orgasm as I felt that hot spunk jet into me. I could feel it swimming about inside me and I could also feel it clinging to the internal walls of my pussy, and I knew that my clit was also coated with the lovely stuff.

His cock took one hell of a long time to empty itself of sperm, and there was so much of the lovely thick stuff that I could feel it dribbling from my pussy lips.

But all good things must come to an end, and at last his cock went very limp and slipped from me. I looked down at it and was amazed that a thing so small and wrinkled up could have been so huge just a few minutes earlier. But that's what I like about cocks, and that's what most sexy women like about them as well. We all love the way they can grow from almost nothing into great big throbbing fucking weapons.

I took his very limp cock into my mouth and then sucked it clean and dry for him, then I pulled the lips of my pussy hole open with my fingers and let the rest of his sperm drip from my love tube and soak into the sheets on the bed.

I love doing that, I like watching spent spunk trickle out of my cunt, it gives me a great thrill. I sometimes push my fingers into my cunt after I have fucked with a man, and I take out a dollop of sperm with the tips of my fingers and then I lick at my fingers with my tongue. But that particular evening I was quite content with just watching that thick sticky sperm of his dribble from my cunt lips.

I spent the rest of the night with him and we fucked in every possible position. I also sucked him off again, and wanked myself off with a candle while he watched. In fact we didn't stop for seven hours, and at the end of that time I was exhausted. But I had got what I wanted. I was no longer a sex starved lady from Canada. I was now a very sexually satisfied young lady, and I still have the taste of his hot sperm in my mouth to prove it.

QUEEN OF THE BLUES

The following story is based on the characters from the sex movie 'QUEEN OF THE BLUES'. The story tells of the sex lives and activities of the staff and performers at the Queen of the Blues Striptease Club, Soho. It's an all action film covering every conceivable form of sexual activity, (Les, F/A, Group, F/M...) It will be showing shortly, as part of the hottest double bill in London, with 'MASSAGE GIRLS IN BANGKOK'. We urge all film fans, and in particular BLUE FILM FANS, not to miss this previously BANNED double bill. It's showing from 26th July at the Centa Cinema, Piccadilly ((Piccadilly Circus end) London.

As soon as Robin got to the club that evening, he sensed that something was wrong. Nobody could ever have described the well-bred young man-about-town as clairvoyant, or even particularly sensitive, but there was an unmistakable air of foreboding over the place, and Terry, the errand-boy, looked positively scared.

"There's a geezer to see you," he said conspiratorially. "I told him to make an appointment, but he just walked into your office and said he'd wait. There wan't nothing I could do to stop him, honest."

Robin immediately thought of the police, and of the sensitive documents he might easily have left lying around instead of confining them to the wall-safe. Then he reasoned that Terry would have been able to spot Old Bill in any shape or form; also that this was hardly the way the Law would approach him. So who was it? Another irate local resident trying to kick up a fuss about the notorious goings-on within these walls? The thought of having to deal with yet another sanctimonious prig gave Robin the courage he needed – one step and his hand was on the doorknob – a second later he was standing staring at the back of a man's head.

The man was sitting in the 'visitor's' chair facing away from the door, so the only impression he had at first was of a massive bull-neck bulging out over the top of a size seventeen collar, and above the neck was an almost spherical head of thinning oily black hair. The man turned at the sound of the door closing behind the club owner, and smiled gruesomely, discoloured and uneven teeth in a broad, fearsome face. It was Johnny Klein, the man who had leant the two brothers a substantial amount of money to convert the club in the first place and who had dropped out of circulation just before the place had reopened. If he wanted his stake back all at once, they would be busted. Now why couldn't David be around to deal with this sort of thing, instead of spending all his time and a great deal of their joint money searching for the best blow job in London? Robin forced a smile onto his face and walked forward with his hand outstretched.

"Well, this *is* a surprise!" he enthused with the delivery of a born actor. "What happened to you, Johnny? We heard you'd gone abroad for your health."

The big man lumbered to his feet and crushed the proferred hand in his huge paw, still grinning evilly. He was the kind of man who could inspire terror by being pleasant.

"We-ell," he chuckled, with a passable attempt at charm, "I had a few problems, you know. There was one or two people who thought I ought to take a holiday for a while, but now they're on holiday themselves, so who cares? All that matters is I'm back in The Smoke and raring to go again... I hear this little place is getting to be quite famous. You and David coining it, eh? Well, I always knew you had it in you to make a go of it."

"We can start paying off the loan right away," said Robin nervously, trying to calculate how much they did have in the coffers, but thinking it good policy to get straight to the point. "How would you like us to do it? Cash once a week, how about that?" They certainly didn't want Johnny and his mates hanging around the club to protect their interests, and the thought that maybe the gangster wanted to cream off a nightly percentage sent cold shivers down his spine. But to his surprise, the big man sitting opposite didn't seem too concerned about the money.

"I tell you what, young Robin: I really don't think we ought to discuss financial matters without your brother being here. Let's leave it for a few days, eh? The reason I'm here this evening is I owe a pal a favour, and seeing as how you owe *me* a favour, it naturally occurred to me to pass the buck, so to speak... Now this pal of mine runs an escort agency – oh, it's very high-class an' all, an' he's got some smashing crumpet working for him. The point is, he wants to get his best talent in showbiz – expand, so to speak – so I thought it might be a good idea to have them do a sort of cabaret number here, just to try them out, you know. What you looking so down-in-the-mouth

"SHE WAS GREETED BY THE SIGHT OF SIX WELL-DEVELOPED NAKED YOUNG LADIES..."

for? It's only for one night, you berk, what's wrong with that?"

The prospect of having Johnny Klein move his brass into the club filled Robin with dismay – at best it would be half-a-dozen flabby strippers lowering the tone of the place, and what on earth would he tell Mary?

"Listen, Johnny," he began nervously. "I think it's a great idea, don't get me wrong, it's just that the star attraction of this place is the Queen of the Blues, and – well, quite frankly, I can't see her putting up with competition from any quarter. And if she gets on her high horse and quits, we'll none of us being making any money. She's what makes the place, Johnny, and we can't do without her, it's as simple as that."

For answer the big man reached for the phone on the smart oak desk and dialled while the dapper young club owner fidgeted on his seat. If only David would turn up to sort things out – he was so much better at it than Robin. Johnny Klein spoke briefly in a rapid, low voice and then hung up.

"Just to make my point," he said affably, "I'm getting the girls brought over now to show you what they've got. I'm not kidding Robin, these birds are the business, and if you let them flap their fannies about tonight you'll be quids in, mark my words..."

And so it was that when Mary herself poked her head round the door of the office half an hour later, she was greeted by the sight of six well-developed young ladies standing in a line against the wall, each with a pile of clothing at her feet, each smiling at Johnny and Robin and keeping their shoulders well back to show off their naked knockers to best advantage. None of them made any attempt to hide their pussy, and it was obvious that they were perfectly at home stripping off and exposing their charms to whoever cared to look.

"Yes," Robin was saying, unaware of Mary's arrival, "All very nice, I'm sure, but what do they *do?*" The truth of the matter was that he felt genuinely impressed by the display of naked flesh before him, and a half-hard cock under the desk bore witness to the girls' physical attraction, and his imagination was working overtime to try and find some formula by which they could be incorporated into the show.

"Amateur talent night, is it?" smiled Mary, stepping forward into the office with Janine, her faithful and randy maid at her heels. The blonde star walked straight up to the nudes and began inspecting them in the manner of a visiting general inspecting a guard of honour. In front of the first girl, a shapely honey-blonde with tits the size of water-melons, she paused and tweaked one succulent nipple. "You'll have to tuck your stomach in a bit more, my dear," she said in a friendly way, and went on to the next, a leggy redhead whose clitoris clearly poked out through the outer lips of her pussy. Mary ran the tip of one finger up the girl's inner thigh and stroked the little sex-tongue so that the owner of this anatomical marvel twinged in reflex, then relaxed again. Meanwhile, Robin was on his feet, scarlet with embarrassment.

"Oh Mary," he flustered. "You're a bit early tonight. This is Johnny Klein – Johnny, Mary and Janine. Ummmm – these young ladies – well, that is – oh dear, did you see David on your way in?"

Mary stopped examining the girls and went to stand beside her boss, put a sisterly arm round his shoulders and pecked him on the cheek while the gangster ran greedy eyes up and down her shapely form, undressing her in his mind and finding her clothed attractions superior to the naked charms of the six females he had had sent over.

"Hello Johnny, are these your girlfriends?" she asked impishly.

"Mr. Klein was wondering if we could possibly fit them into the act tonight?" blurted Robin all in a rush, his galvanising fear making him come to the point yet again. "Not a regular thing, you know, just – well, they *are* pretty, don't you think?"

"I was thinking of using Ben again tonight," Mary murmured, already thinking in advaance. **Ben was a lad she knew from her** days in blue movies, whose one claim to fame was an enormously long and virile member. However, she knew *he* wouldn't object to sharing the limelight with half-a-dozen lewd ladies, and as for her part, she had already divined from Robin's manner that he had no choice but to fall in with the gangster's wishes. Johnny Klein sat and lusted after her quite openly while she made up her mind, and Janine chatted with a blonde she particularly fancied. "Okay," said the star eventually. "Now this is the way we'll have to do it: you two guys will have to leave the office now – I'm taking it over for rehearsals." Johnny started to protest, but a withering glance from the fabulous blonde silenced him and he meekly rose to go out with Robin. "Janine, get Terry to find out if Ben's arrived yet – if not, I want him in here as soon as he gets here; oh, and you'd better bring my equipment bag on your way back. Alright ladies, relax for five minutes; we've got a lot of work ahead of us..."

Robin and Johnny walked from the office a little dazed, the former at Mary's ready acceptance of the deal, the latter at her stunning physical presence, and they'd reached the bar before either of them spoke a word.

"Listen," the gangster said conspiratorially, "if you get me a date with Mary, you, you can have your pick of my girls – no, you can have two of them, how's that for a trade? They ain't got no inhibitions, you know, if you got special tastes, only I really fancy a go at that big blonde!"

Robin ordered drinks for the pair of them and thought rapidly, realising that the gangster had just admitted that the girls were on his payroll. Whatever Johnny's ambitions for them might be, it was obvious that he wouldn't want them humiliated nightly by Mary, who tended to treat women more as sex-objects than most men did. If only the star ran true to form tonight and went outrageously over the top, perhaps she might scare the big

MASSAGE GIRLS IN BANGKOK

A SPECIAL FILM REVIEW

This month we are running an extra, and very special, review of a new film that opens in Central London on THURSDAY, JULY 26th, at 11.00am, at the CENTA CINEMA, PICCADILLY, (Piccadilly Circus End), London. The film is called MASSAGE GIRLS IN BANGKOK, the stills featured here are from the original, overseas, uncut version. This film really blows the lid off BANGKOK's RED LIGHT DISTRICT! Bangkok is known as the sex centre of the world, where every kinky sexual deviation is available at a price – this film shows you just how real this is!

The film revolves around the sex lives of the masseuses and their clients, if you've ever visited a British massage parlour you should see this film and experience on the BIG SCREEN all the extras that are available in BANGKOK. This is a fast moving sex action film, shot in luxurious and erotic locations. In some ways it is very similar to the original Emanuelle, which was shot in Hong Kong, but in our opinion this film is far more erotic and explicit.

We can't describe how good this film is here, all we can suggest is you go and see for yourself – this film is showing from Thursday, July 26th at the CENTA CINEMA, Piccadilly, London – because of its highly adult nature it will NOT be showing at many cinemas around Britain so we urge you to travel to Central London to see it!

Also showing at Studio Cinema, BLACKPOOL from August 2nd, phone the cinema for confirmation of this date, which is only provisional – phone BLACKPOOL (STD Code 0253) 25957

THE BEST IN UK SAUNAS

Readers often write to us asking for the best Saunas to visit in Britain, as there are now so many to choose from – many of which are a rip off. To be honest none of them can compete with the 'extras' you get in BANGKOK, which are covered in immense detail in MASSAGE GIRLS IN BANGKOK. However, one or two offer better value than others, we have visited around twenty places to pick out two we think worth visiting, both have really attractive masseuses, who are pleasant – while the places are clean and offer excellent value. The two establishments we give four star ratings to are:

***PARK SAUNA, 769 Romford Road, London E.12**
***NICOLE'S SAUNA, 241 Kentish Town Road, London N.W.5.**

QUEEN OF THE BLUES

Continued from page 48

man out of the idea of foisting his girls on the club. Yes, on reflection, Robin thought he could trust Mary to do that…

"Oh I shouldn't worry on that score," he said smoothly, at long last beginning to regain his composure along with his confidence. "Mary will do just about anything for the club, you know!"

So the two of them drank and watched the place fill up, and when half an hour later the fanfare announced the star turn of the evening, they made their way to stand at the back of the auditorium, both more worked up than they would have cared to admit at the prospect of seeing what a fertile imagination could do with seven cunts and a prick. The majority of the men in the audience of course had no idea that tonight's spectacle would be anything out of the ordinary, although those who had been privileged to see the Queen of the Blues regularly knew that she was capable of providing the most bizarre entertainment available in the West End. The buzz of anticipation rose to a tremendous climax of cheering and whistling and clapping as the lady herself stepped out regally into the solitary spotlight, and waited for silence to descend once more, standing with the light making her golden mane glow as if lit from within, a true fairy princess in full command of her loyal randy subjects.

Tonight Mary was wearing a two-piece swimsuit which stretched the imagination as much as its own fabric was stretched in the effort to keep those magnificent tits in place and that remarkable derriere even partially covered. Like all her stage clothes, the bikini had been specially designed and made up to her own specifications, and took the art of sartorial titillation to the limit. The top part held the bulk of her pectoral globes under the overhang, just covering the nipples but leaving the upper slopes completely nude, and the thin straps which curled up to meet behind her neck looked as if they might give up the ghost at any second. The effect of the bra's uplift was to press her fat bristols together to form a tantalising cleavage which was easily six inches deep, and the entire aspect of it was fabulously dramatic from any angle.

Beneath the top half of the swimsuit, her torso plunged down into a smooth recessed belly with a charmingly dimpled navel in the middle of it, and a few inches below this sexy recess the mound of her pussy swelled out under the skimpiest pair of panties known to man. From the front, the bikini bottom seemed to be filled with a plump fruit, which was simply the pubic bush bristling on top of the cunt-lips, from the side it was almost like a posing pouch, with just a few stray golden wisps peeping out at the tight gusset, and from the rear it could be plainly seen that the anus and vagina were covered by a tiny strip of material which practically disappeared between the swelling haunches of her nearly naked buttocks. So now you know the reason for Mary's wild reception!

As soon as her audience had settled to feasting their lustful eyes on this delightful spectacle, Mary slowly did the splits, her feet pushing out sideways across the floor of the stage until they were a good five feet apart, causing the central strip of material to bite cruelly into the soft plump meat of her pussy, the fat hairy outer lips gradually being forced into view on either side of the straining panties which were bisecting the organ. It was a trick which had taken

"SIX NAKED GIRLS WALKED ON TO THE STAGE, EACH ONE WEARING A TEN INCH DILDO..."

her ages to perfect, practising night after night in front of a full-length mirror until she had got it to perfection, and she knew the exact moment to stop spreading her legs and simply thrust her pelvic girdle up wantonly in a sensual fucking motion to display the almost bared cunt to the full glare of the spotlight.

Then, still in the same position, she slowly raised her arms to lock the hands behind her head, pressing far back with her shoulders and pushing out with her chest, so that her fulsome knockers were gradually squeezed out from their skimpy confines and sensually easing themselves out and over the top of the bra like seeds being popped out of an orange. Her nipples were already big and stiff, and as they reared themselves into view, the applause rolled over her like a tidal wave; in two brisk movements she had stripped top and bottom and flung the two parts of the garment into the wildly cheering audience.

One man who was not cheering, however, was Johnny Klein. He was just as excited by the stunning blonde's exhibition as any man present, but as the minutes ticked by and there was no sign of his protegees, he became increasingly convinced that he'd been double-crossed, and Robin's repeated bland assurances did little to comfort him. Where could his girls be? They ought to be the main attraction of the show – he'd have to have a word with David.

But as he was about to ask the young club-owner where his elder brother might be, fresh applause made him turn back to face the stage, just in time to witness the entrance of Ben, who was dressed in a posing pouch and a smile. Some of the audience knew that the huge sausage-shaped pouch dangling in front of him was actually filled with real cock, but to most of the spectators it was just an obscene joke, and they greeted it accordingly. Ben did nothing to disabuse them for the time being, since it was his role to kneel on the stage and have Mary straddle his upturned face with her bare crotch, her hands on her hips, bucking over his head with rhythmic hip-movements so that her pendulous bristols swung energetically on her chest. After a few minutes of being serviced by this vigorous pussy, Ben's face and chin was streaming with lubricating fluid and the pouch was beginning to rise as if by magic between his legs...

Mary suddenly leapt away from her position of bliss and clapped her hands imperiously high over her head, summoning fresh delights to join her on stage, and in the darkness at the back of the auditorium Johnny Klein caught his breath as he saw first one, then two, then all six of hisvirls walk demurely on stage – each one wearing a ten-inch dildo strapped about her shapely hips! Apart from this equipment, the girls were as naked as they had been an hour earlier in the club office and their display of bare tits and bums, all as nicely contrasted and varied as their size and colour of hair, was a truly ravishing spectacle. But it was those monstrous strap-ons which caused the most excitement, what on earth could Mary have in mind?

To begin with the girls formed a semi-circle round Ben while the star of the show knelt beside him and removed the trembling posing pouch with her front teeth, and when his mighty prick flopped out naked and stiffening to its full height, the nudes opened their eyes in amazement, not having seen the young man's equipment in rehearsal. With a smile of satisfaction Mary clapped her hands and the first girl, the blonde with enormous bristols, obediently knelt before him and took as much of his hard-on into her mouth as would fit, at the same time raising her large bottom to the audience and pulling the cheeks wide apart to show her crack, with the golden-haired cunt nestling beneath it. While Ben stood thrusting from the hips into the blonde's mouth, Mary clapped her hands again and the second girl, the redhead, knelt behind her friend and thrust in up to the hilt with her strap-on, at the same time pulling her bum-cheeks apart to show her bum and the pink tongue of her clitoris, which brought a wave of warm applause.

Another hand-clap and the third girl, another blonde with tits the shape of pears and a cute, taut little bottom, plunged into the redhead's open snatch, held her buttocks apart and waited to be speared in her turn. A few minutes later, all five of the girls apart from the big blonde who was sucking Ben were plugged in, forming a daisy-chain away from the audience, who were in raptures at the sight of so much nubile flesh. The star of the show reappeared wielding a long leather whip and struck the arse of the last girl with its thongs. Convulsively, the girl moved forward from the hips, thrusting her dildo high up the cunt of the girl in front, who in turn poked the girl in front of *her*, and so on until the huge blonde shifted forward on her knees and Ben began to move slowly backwards, pulling the whole bunch of them by means of the erection which the blonde was gobbling. Mary raised the whip once more and brought it down over the rear girl's bum – again that convulsive thrusting forward until the shock wave was trasnferred to Ben, who started leading this fleshy crocodile round to show it in profile. Again the whip descended, harder and faster, until the movement of the girls was that of a centipede shuffling along; at another signal the big blonde in front disengaged herself and took her place at the rear where her ample bum-cheeks were trounced in turn, and the redhead found herself being impaled orally on that huge stiff cock.

And so it went on until every girl had felt the sting of the whip and also sucked Ben's tool, which was showing every sign of being near the limit, and soon all six of them were climaxing piteously, still plugged in fore and aft and reduced to a six-headed fucking-machine which was bucking crazily in rhythmic spasms when Mary pulled Ben's cock away from the front mouth and tossed him off all over them, making him shoot off over their upturned faces and hair as they shuddered to a halt.

Suddenly Johnny Klein snapped out of his trance and started screaming blue murder at the way his girls were being treated, but he was too late: he'd been outwitted by the Queen of the Blues.

This is a film for ADULTS ONLY as it's very naughty, but it's extremely well made, so that it will appeal to most people – the storyline is superb! David Sullivan, the producer of The Playbirds is now working on an even more expensive film with even better girls in conjunction with Stockholm's Blue Movie King GUSTAV STEINHURST – it's called QUEEN OF THE BLUES. This movie will be showing from the 26th July at the Centa Cinema, Piccadilly, (Piccadilly Circus end) London. Don't miss it, it is something very extraordinary!

OLGA'S STORY

PART ONE

Introduction: Olga was born in Germany twenty-five years ago. In those twenty-five short years she has experienced every single kind of sexual adventure. Some people would call her depraved and corrupt, but she likes to think of herself as a very liberated lady. This is her story, told in her own words, from her first sexual encounter to the most depraved of sexual scenes.

As a child I was very happy. My parents gave me everything that I could wish for. I remember those days in our house just outside Frankfurt with a great deal of affection and happiness.

When I was sixteen I noticed that my figure was starting to develop, that my breasts were becoming large and firm, and that my pussy lips were starting to become all crinkly and fleshy.

I didn't know much about sex, but all this changed on my 18th birthday. My parents threw a very large party and over two hundred people were invited. I bought a new dress for the occasion and that's when things started to go wrong.

I was in the bedroom, trying on my new dress, when my mother walked into the room. She took one look at the dress and almost had a heart attack. "You can take that off at once," she said. "That's the most indecent dress that I've ever seen."

I couldn't see what was wrong with it. The dress was low cut and most certainly showed a great deal of my firm, ripe breasts, but I saw nothing wrong with that.

We had quite a row, and in the end I had to put on another dress. The party was a great success and all the young men there paid a great deal of attention to me. One man in particular, a guy called Hans, spent the whole evening following me around.

Around two in the morning he suggested that we go out into the garden for a breath of fresh air. Now I knew he wanted to kiss and cuddle me, but as it turned out things went a lot further than that.

We strolled round the garden and it really was a very beautiful night. It was the middle of summer and the air was warm and there was a gentle breeze blowing in from the hills.

We talked for a little while and then he pulled me down behind a bush and started to kiss me. Now I've had a few necking sessions with boys and I loved to be kissed and cuddled. But after a little while he started to run his hands over the front of my dress. Normally I would have pushed him away, but this was my 18th birthday and I thought it was about time I discovered what sex was all about. So when he pulled the neckline of my dress right down and exposed my firm breasts, I didn't object in the least.

I heard him gasp out loud in appreciation when he saw my naked breasts in the moonlight. I could well understand his gasp of pleasure, for my breasts are very large, very firm, and tipped with lovely pink erect nipples.

He spent some time just looking at my breasts and I could see a gleam of sheer lust in his eyes. Then he reached out with his hand and gently ran his fingers over my right nipple.

I sobbed with delight, it was as if someone had passed an electric current through me. My nipples became very stiff indeed and I started to breathe very heavily and I also felt a strange warmth go through my pussy tube.

He then reached out with both his hands and squeezed my breasts together and this made my nipples jut out even more. Then he lowered his head, took my right nipple between his lips, and started to suck on it. I thought that I would pass out with joy as ripples of sheer delight coursed through my body.

I felt his tongue and lips move gently over my tits and nipples. It was the first time, the very first time that anyone had ever kissed me there, and it was a really wonderful sensation. I placed my hand at the back of his head and pulled his face

"HE MOANED WITH DELIGHT AS HE FELT MY FINGERS ENCIRCLE HIS SHAFT..."

down to the valley between my tits, and he kissed and sucked away there for some considerable time.

Then he rolled my left nipple around on his tongue while his hands continued to fondle at my firm ripe tits, and then I had my first ever orgasm. I know it was an orgasm as I'd read about that sort of thing in the books I'd obtained from the library.

Then he pulled his head away from my breasts and smiled at me, and then, before I realised what he was doing, he had taken hold of my right hand and placed it on the bulge in the front of his trousers.

That bulge was very hard and it moved under my touch. I had never seen a man's prick before and I was dying to see what it looked like. Sure, I'd seen pictures of cocks, but I now wanted to see what one looked like in real life. He must have known what I was thinking, for he reached down, unzipped his trousers, then stood up and pulled them down. Then he peeled off his underpants and for the very first time in my life I was looking at a naked real live cock. It was one of the most erotic and lovely things that I had ever seen in my life.

It was very thick, very long, and seemed to jut out from his body like a bargepole. I could also see that his balls were large and hanging down a long way from that lovely cock. I just had to touch that lovely throbbing thing. So I reached out with my right hand and curled my fingers round that thick shaft.

He moaned with delight as he felt my cool fingers encircle his shaft and then he gave me instructions and I started to run my fingers up and down that very stiff member. It felt really good in my hand. I loved the thickness of it, the shape and size of it, and above all I loved the way it was throbbing away like mad.

I didn't know very much about sex then, so I just fluttered my fingers up and down that lovely hard cock, and soon he started to moan and groan with pleasure, then the next thing I knew was that his cock started to jerk like mad in my fingers and then a great jetting shower of hot white stuff blasted out from the head of his cock and went all over my hand.

I held my hand up and looked at it. The stuff from his penis was sticking to my fingers and it looked lovely as it glistened in the moonlight. I then wiped my hand on the grass, and as I did so I realised that doing that to him had really turned me on, and that the front of my knickers were all soaking wet under my dress.

I then watched in amazement as his large cock started to go very limp. It amazed me that something so big could become so small in such a short space of time.

He then put his hand under my dress, and I was so worked up that I didn't stop him. Soon my dress was up around my waist and he had taken my knickers off, and I heard him gasp out with desire when he saw my vagina. I also got a great thrill from knowing that he was looking at my quim.

I then shouted out loud with joy as his fingers started to run up and down the crinkled folds of my cunt lips, and I felt hot juices start to pour from my lips and run down the inside of my thighs.

He looked at me. "Has anyone ever tongue-fucked you, Olga?"

"No," I replied. 'I don't even know what tongue-fucking means."

"I'll show you just what it means," he said, and then he put his head down to my cunt and the next thing I knew was that his tongue had delved deep into my pussy hole.

It was an experience that I'll never forget for as long as I live. It was the first time that a man had ever seen me there, let alone tongued me. I yelled with joy as his tongue went into my most secret of places, and then orgasm after orgasm spread quickly through my body.

It was wonderful. I could feel the tip of his tongue moving very gently over the delicate skin inside my cunt hole, and I wondered why on earth I had never let a man do this to me before. It was marvellous.

I could hear him slurping away and I knew that he was sucking down my flowing juices. My whole body was shivering with pleasure and joy, and I wanted him to get his tongue in deeper and deeper.

Then he pulled his head out and said: "Are you still a virgin, Olga?"

I nodded. He smiled and said: "Would you like me to fuck you for real? Would you like me to give you a really good birthday present and push my hard cock into that lovely tight little cunt hole of yours?"

I nodded my head again. I was so worked up, and I had so much enjoyed feeling his tongue inside me, that I now wanted to know what it would feel like to have a cock plunging into my little quim hole. Well, I was eighteen, so it was about time I found out what sex was all about.

He stood up and started to run his fingers up and down the shaft of his cock and soon it was rock hard again. He got between my legs and then started to rub the head of his cock up and down the crinkled lips of my quim. I didn't really know what to expect. I'd read that when a man slips his cock into your cunt that you get the most marvellous orgasm. I just hoped that what I read was true.

Then my mother appeared on the scene. She had come out of the house to see where I was, and she saw Hans between my legs, his cock just about ready to slip into my cunt, and she screamed with anger. Hans was so surprised that his cock jerked like mad and that thick white stuff shot from his cock and went all over my flat firm belly.

My mother slapped him round the face, sent him packing, then she told me to go up

"MY NAKED BODY JERKED AS MY FINGERS WENT INTO MYSELF..."

to my room and not come down again until the following morning. I couldn't understand what she was so annoyed about, after all I was eighteen years old, surely I had a right to find out what fucking was all about?

But she wouldn't listen to reason. She sent me up to my room and refused to discuss the matter.

That night, in bed, I thought about what had happened in the garden, and I could still see, in my mind's eye, all that lovely white stuff jetting from the end of Hans's cock. Just thinking about it made me shiver with delight. I had really loved watching that stuff come out like that. I also liked the way it had clung to my fingers. I vowed to do that sort of thing again with him just as soon as I was allowed out of the house.

I also wondered what it would have been like had his prick managed to get inside my pussy hole. So I decided to pretend that the fingers on my right hand were really his hard throbbing cock, and I slipped my hand under the sheets and started to rub at my cunt with my fingers.

Now it may seem hard to believe but I had never, in all my eighteen years, ever wanked myself off. The thought had never entered my head, but after that escapade with Hans in the garden, I decided to see what it was like, and imagining that my fingers were really Hans's throbbing penis, added a great deal of extra excitement to the whole thing.

The pubic hair round my vagina was very short and very curly and as I ran the tips of my fingers over it that hair became all wet and sticky. I realised that this must mean that my lubricating fluids were starting to flow down from inside my pussy hole. It was a very nice feeling to know that my juices were bubbling away like that.

Then I ran my fingers all over the soft crinkled lips of my cunt hole and thrills of sheer pleasure coursed through my naked body. The pleasure I was getting from my own fingers was very intense, and I wondered if my fingers had really been a prick, of if the feeling would have been any better. Well, no doubt I would find that out one day, for I did not intend to stay a virgin for very much longer.

Soon the lips of my pussy hole were really very sticky and I wondered where all the juice was coming from. So I got out of bed and went into the bathroom, then I crouched down in front of the full length mirror and then I slowly pulled the lips of my pussy hole open with my fingers.

I was amazed, and delighted, with the sight that greeted my curious eyes. The inside of my pussy hole was all soaking wet and very sticky, and I could see that my juices were bubbling away like mad and also clinging to the soft delicate skin inside my pussy hole. That flowing juice soon spread all over my fingers, and I pulled the lips of my quim open even further and had a really good look inside my own pussy hole. I saw that the flesh inside there was very pink and soft, and without really thinking what I was doing, I pushed two fingers of my right hand very deep inside myself.

My whole naked body jerked and convulsed as my fingers went into myself, and my juices came out faster than ever before. Soon my fingers were plunging in and out of my quim just as fast as I could make them go, and those juices of mine were splashing onto the floor and formed a puddle on the tiles.

I was moaning and gasping with joy and then my entire body gave a gigantic convulsion and I had an orgasm, the first ever orgasm that I had ever given myself.

I then pulled my fingers out and looked at them. They were very sticky and my juices seemed to be clinging to every part of them. I wondered what those juices tasted like? After all, Hans, in the garden, had seemed to take a great deal of delight in sucking them down into his throat. So if he liked the taste of them that much then perhaps I also would like them.

I raised my juice-covered fingers to my mouth then stuck out my tongue. I lapped up a little of that juice on the tip of my tongue and then swallowed it down. I had another orgasm on the spot and I shivered with delight. My own juices tasted very nice. I lapped some more up to get a better taste and then swallowed that lot down. My juices were very hot, very sticky, and tasted slightly bitter. But I liked that taste a great deal, in fact I liked the taste so much that I pushed my fingers back into my pussy hole and pulled out some more of my hot sticky juice, and then I lapped that up with my tongue just as quickly as I could.

I took down a great deal of my own juice, and it tasted so nice that I wasn't in the least bit surprised when I had an orgasm. I was getting to like the feeling of orgasms rippling through my body.

I went back into the bedroom and stretched out on the bed and once again I used my fingers to bring myself to a climax. I must have masturbated myself a dozen times that night, and finally I was so exhausted that I fell asleep.

In the morning I woke up and thought about everything that had happened the previous night. I thought mainly about all that white stuff which had spurted out from Hans's lovely cock, and this made me feel very sexy.

So I went into the bathroom, crouched down in front of the mirror again and then wanked myself with my fingers.

I was crouched down, three fingers deep inside my love tube, when my mother walked in. She exploded in a torrent of abuse, she slapped me round the face, told me I was a dirty little slut, and then hit me again.

"I WANT YOU TO SIT ON THAT CHAIR AND OPEN YOUR LEGS WIDE..."

I asked her what all the fuss was about. I couldn't see that wanking off was wrong. Well, to cut a long story short I was thrown out of the house.

I found myself a small flat in the middle of Frankfurt, luckily I had some money of my own. I was determined to show my parents that I could make a go of things on my own, and I was also determined to try and find out a lot more about sex. I wanted to know what it would feel like to have a great big throbbing cock deep inside my virginal pussy hole.

But first I had to get a job. I looked in all the local papers and I saw an ad that really appealed to me. It said that a well known photographer was looking for a nude model. I was quite proud of my body, and I thought that as a model I would be able to learn more about sex, as it turned out I was right.

The photographer's name was Charly. He was a tall good-looking man in his late thirties. He talked to me for a little while and then asked me to undress. He wanted to see if I had the sort of body which he was looking for.

I took off my clothes and he nodded his head. I also saw that as he looked at my naked body a great big pulsating bulge appeared in the front of his trousers. I found myself wondering what his prick looked like.

He got his camera out and started to take some shots, and as he went on the poses he asked me to get into became more and more erotic. First of all he asked me to lift my breasts up with my hands and then run my fingertips all over my erect nipples. As I played with my own nipples, little shocks of pure excitement started to ripple through my body and I felt my juices start to bubble away deep inside my pussy hole. Then he smiled and asked me if I had ever sucked my own nipples. I told him that the thought had never crossed my mind. He told me how it was done, and then he asked me if I would do it while he took some more pictures.

I thought about this for a little while, and then I decided to have a go. After all one of the reasons I had applied for the modelling job was to find out about sex. The least I could do was co-operate with him.

I placed both my hands under my right firm breast and then lifted it up just as far as it would go, then I lowered my head. This meant that by pushing out my tongue I could lick at my own nipple.

It was the first time even that I had sucked my own stiff nipple, and I must say that I enjoyed it very much. As I rolled my nipple around on my tongue I became aware that my hot sticky pussy juices were running down from my cunt lips and dribbling down the inside of my thighs, and then, as I sucked even harder at my nipple, I had a really fantastic orgasm.

He smiled and kept clicking away with the camera, he said that my orgasm and my sucking my own tits would make a great series of photographs.

"Olga, I want you to sit down on that chair over there, open your legs as wide as they will go, then I want you to use the tips of your fingers and pull your cunt lips wide open. I wish to take a real close up picture of the inside of your pussy hole," he said.

Well, the thought of a man taking a picture of the inside of my cunt really turned me on. So I did exactly as he asked. He knelt down in front of me and then almost pushed his camera inside my pussy hole as he took the picutres.

I knew that he was seeing the soft flesh inside my cunt tube, I knew that he would be looking at my juices as they bubbled away. I knew all that and I liked it very much.

"Now I want you to take this candle over here," he said. "And I want you to push it very deep into your cunt hole and wank yourself off with it."

I looked at the candle and saw that it was a good ten inches long and as thick as my wrist. I shook my head.

"It's a bit awkward, Charly, you see, I'm still a virgin."

For a moment he was lost for words, then a slow smile spread across his face.

"A virgin," he breathed. "I didn't think there were any of those left. Tell me, Olga, would you like to do anything about it?"

"Well," I said. "I've wanted to know what it feels like to have a prick inside me, and I can't stay a virgin for ever, can I? In fact I'm dying to get myself fucked by a man who really knows what he's doing."

"I know what I'm doing," he replied. "I promise you that I'll be very gentle, and that I'll teach you every single thing you want to know about screwing."

I looked at him. He really was good-looking, and as a photographer of naked women he must have been very experienced where sex was concerned. I thought that it was best that I lose my virginity to a man who knew what it was all about. I nodded and said that I would love him to screw me.

He smiled, then he took me by the hand and led me into the bedroom. I was feeling just a little nervous, but I was dying to be fucked.

He told me to stretch out on the bed, and then he took off his clothes. He had a lovely great big thick cock. It was bigger than Hans' had been. I looked at that massive weapon and knew that he was the man for me.

"First you must get used to my cock," he said. "I will not screw you right away. I want you to wank me off and let my spunk go all over your lovely tits."

I agreed. He was right, of course. Before I could really enjoy a screw I would have to

DIFFERENCE IN THE SEXES

Dear Editor,

As a girl, a thinking-girl of twenty-five, I ponder the question of what – apart from the prick and the balls in a boy and the breasts and the cunt of girls, makes the sexes look different and have different types of sensuality? When I say boys and men I also mean men and women in their mature state. I submit that it is not so much the tits or the cunts in girls or the pricks and the balls in boys that make dramatic differences in the sexes from a visual point of view. I suggest that is is bums. Yes, bottoms! The bare arse suggests domination and being dominated as the bum is the softests and the least-to-be-harmed portion of the male and the female anatomy. The bum, in the male profile, can look pretty. In the female profile it adequately balances the profile of the breats. It is more than a well-known fact that girls and women are turned on more by the shape and size of a man's bottom than they are by his prick and balls. Why then are not girls and women drawn towards more probing of the male bottom and anus than they are towards holding and wanking of the prick and holding of the balls? Simply because it is the visual shape and contour of the bottom that is found attractive by girls in viewing naked or clothed men. The deep slit in between the cheeks is sexy and sensual but the natural function of the male rectum forbids the normally sensitive girl from thinking of the rectum as a sexual zone. That is all to the good, since sodomy is a perversion and illegal in many parts of the world including Great Britain. To many girls and women – the naked male bottom is babyish and childish, a reminder of infancy, a challenge to an unrequited or unfulfilled maternal instinct. A man's or a youth's or a boy's naked bottom is indicative of his absolute vunerability. It is more naked, in fact, than is the rest of his body. It is not aggressive as is his naked, erect prick so it engenders in the female feelings of compassion and sensuality and even love. A man's bottom viewed clothed or just covered in smart, modern, male underwear is usually admired by the female of any age. The male bottom is smart, small swimbriefs is also an object of visual sensual pleasure. The male bottom asks to be spanked by the semi-sadistic female and well whipped by the in-depth sadistic female. The same is with the semi-sadistic and in-depth sadistic male. The larger, softer, rounder female bum pleads to be smacked, spanked, whipped or caned. The soft and sensitive flesh of the cheeks of the bottom need to have pink weals laid across them for a while, at any rate. The bottom symbolises the submissive female. As well as that, the anal canal is also a forbidden challenge to the male who knows that it is supposed to be sacrosant. Well, those are my observations on the most sensual parts of the male and the female body!

A READER

Dear Editor,

As an avid reader of all types of Girlie magazines I find that more and more are now coming onto the market, some are not too bad, some are mediocre, and some are just plain rubbish, it seems that they have the mistaken idea that all they have to do is to put a nude girl into a picture and let her hold herself wide open and that is all there is to it, how wrong can they get, as I have said before I am an avid reader so in my mind although I do not consider myself to be an expert on these things at least I know what I pay for, I pay to be tittilated a bit, and in some cases in your mags it turns out to be quite a lot, I want to open a page of a mag and see a girl who looks as though she is proud of her body and wants everyone to know and see it, not some old scrubber who looks into the camera as though to say, "Here, all you want to see is my cunt, here it is." That to me is not tittilation, it is bloody crudeness and nothing else.

If I wanted that all I have to do is to go to one of the dockside pubs near to where I live and pick up one of the many girls and say to her, "Can I see your cunt for fifty pence," if she had had a bad night I could even fuck it for that, and I'm not kidding. Mind you, I have an advantage on most blokes, I walk along there in the

OLGA'S STORY

Continued from page 64

get used to what his lovely large cock felt like.

He stretched out on the bed next to me and then told me to wank him off with my fingers. I took that wonderful cock in my right hand – and remember it was only the second cock that I had ever touched in all my eighteen years – and I fluttered my fingers up and down it very slowly. He moaned with pleasure and that cock of his seemed to get bigger than ever. I pulled his foreskin back and looked at that glans of his, the glans that would soon be slamming in and out of my pussy hole.

I started to wank him off, and his body writhed and twisted with pleasure. I also took his balls in my other hand and squeezed at them very gently. All the time he was telling me exactly what to do and how to do it, and I began to enjoy myself a great deal. I had wanted to find out about sex, well it looked as if I had found the right man, the perfect man, to teach me.

I rubbed my hands and fingers all over his cock and balls just as he told me to do, and that glans of his started to swell up even more. Then he gave a great shout of desire and he rolled over very quickly and placed that throbbing cock of his between my firm ripe breasts.

Lovely hot white stuff started to blast out from the head of his cock and it splattered all over my firm tits and very erect pink nipples.

He told me that the white stuff was called spunk, and that he could hardly wait to fill my fresh little cunt up with it. I told him that I could hardly wait as well, and that now I had got used to the feel and scent of a cock I was dying to find out what it would feel like inside my cunt hole.

I looked at the spunk on my tits, and he told me to go ahead and taste it, he said that a really sexy woman always loves the taste of hot sperm. I wiped some up on the tip of my little finger and then I placed the finger in my mouth and sucked on it, I then shivered and shook with pleasure, the taste of that hot spunk was the most fantastic taste that I'd ever known.

I wiped some more up, a lot more, and placed it in my mouth and then swallowed it down. And would you believe that as that spunk trickled down my throat I had a really lovely orgasm?

Then he talked to me about sex. He told me what screwing was all about, what my cunt would feel like when it was invaded by his cock for the very first time, and then he told me that some women even like taking a cock into their mouths and sucking it until the sperm comes out.

I told him that I would love to see what his cock tasted like inside my mouth.

He smiled and said that would come later. He then pointed down at his cock and said that he was just about ready to give me my first fuck, and then he asked me if I really wanted to go ahead.

I glanced down at his wonderful penis and I nodded my head. I told him that it was ridiculous being a virgin at my age, and that the sooner I lost my virginity the better. Anyway, I was dying to feel that sperm of his blast out into my pussy hole.

He stroked his cock with his hands until it was really hard and then he rolled me over on my back. I sighed with pleasure. In a few minutes time I would know what a first fuck felt like. I was really looking forward to it.

In next month's issue: Olga has her first screw, she also learns about other sexual perversions that take place between a model and a photographer. Don't miss the next instalment of Olga's story, it is one of the hottest we've ever printed.

PLAYBIRDS POSTBAG
Continued from page 69

daytime in a uniform, and I'm certainly not going to say which one, I'm not stupid either.

So you can see why I am a bit fussy over the mags I buy, I only wish these stupid bloody laws of ours would let you put in your mags the things that most red-blooded blokes like to see, you know, the real thing, not some poor sod who has had to have a wank before he gets near a naked bird, he just dare not have a hardon, some people object to seeing a fine upstanding prick, I can't see why, for to me it looks a little obscene to see a bloke with a bird and he hasn't got a hardon, it makes me think at times if it really is a bloke and not a moulded on prick.

To get back to some of these new mags, I picked up one the other day which said in bold letters, "Not for sale to minors," I know one thing, after leafing through the pages and finding that all the nice juicy cunts had been covered by a black star and that the one bloke in there was actually wearing pants I thought then "What a bloody racket," I reckon there should be a law forbidding mags to put on a sign like that, they know fine well that horny sods like me will buy them if they think that they are reading something that only grownups can read, I could have sent this particular mag around with the hymn books and not an eyebrow would have been raised, let alone a prick.

I like mags to flout the law a bit, you know like putting something in as a medical hint when in reality it is a bird wanking off a bloke, it is not breaking the law, in any case laws like that should have been abolished in Oliver Cromwell's day, or maybe it should be before, I bet those dried up old prunes who object to us reading what we like have never had anything like it in their long lives.

If only one could go back into history as it really was there would be a few skeletons rattling in different cupboards, they say it is a wise man who knows his own Father, in the old days it was a wise woman who knew who fathered her child, some of the posh types would burn all their own family history books if the real truth came out, grooms and butlers had choppers as well and if the old man was away fighting in the crusades how do you think the women went on, chastity belts, balls, there were locksmiths too. Like the old Earl on his charger belting down towards the gates of his castle after locking up his Missus and giving the key to a trusted old servant, he had hardly reached the gates before the servant dashed after him shouting. "My Lord, you have left the wrong key."

To hear some people talk, sex has just bene invented and they have found it so disgusting that they feel it should be stopped.

A reader. South Wales.

A MILKMAN'S LOT!

Dear Editor,

Being a milk roundsman carries its compensations for getting up before the crack of dawn, strolling round darkened winter streets, making dogs bark and babies cry with the rattle of my milk bottles and reading badly written notes tucked into the heads of milk bottles! At least, it has for a fellow of my age, twenty two, strong and virile and unmarried! Like, for instance, the young married blonde at No. 1, whose husband is always at work at eight in the morning when I call at her house and she opens the door to me in a filmsy negligee with her bare tits and hairy twat showing under the transparence of it. With her asking me in for a cup of coffee each time her husband is at work, to be followed by a stroke of her wet twat, a poke of my finger up it, and her nice warm fingers round my prick as I take off my trousers and white coat, and she pulls down my briefs and takes my prick in her mouth and sucks all my own personal milk out of me. Like those two girls at No. 23, who live together, not lesbians by any means and who, once every Wednesday morning ask me in and let me fuck them both while one sits down and watches until its her turn to be screwed. And there is that woman of thirty-five who fancies men much younger than her, an attractive blonde who used to be a stripper and who lives alone at No.5. She says she has always had a desire to suck off young boys in their teens but knows its naughty, as she puts it, but since I am only twenty two and look eighteen in any case, I will do just as well! She always likes me standing up in her kitchen with my trousers and briefs round my ankles, my legs straddled and my longish white coat on so that she can put her head up it as she kneels in front of me on the floor and takes my cock in her right hand and sucks it all out of me. At other times I have to lie on the settee in her lounge still with my coat on but naked underneath, while she gives me the treatment. She tells me she always pretends I am a young boy while she is doing this to me. She's pretty good on the tossing off lark as well, as it happens. Yes sir, I would heartily recommend a milk round for all likely lads with eight inch pricks, sturdy balls and plenty of body milk to spare! Once you have done a round for about a week or two you get to know the promising females, whether they are single or married, when their husbands are out at work, what single girls are frustrated and what young wives rarely get screwed by their husbands over night. Once you have established facts like that and made notes in your diary – Bob's your uncle!

Roger T. Wolverhampton.

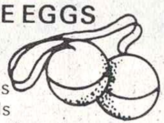
SHORT CUT TO SEXUAL PLEASURE!

Two different sex aids for every female, at a very special price.

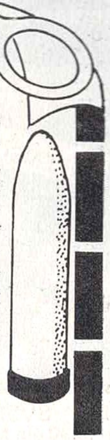
SEXY LOVE EGGS



The Orient's favourite sex turn-on consists of two light balls with heavier balls inside and joined with twine. Geisha girls still insert them in their vagina to become sexually excited before performing their love arts. We call them *love eggs* and their popularity is world-wide.

RUBBER VIBRO

Today's advancement in technology and electronics has had its effect, even on sex. The best example of this being the vibrator. The best vibrator is the *soft bendable* type. Comfortable for the female because, unlike the solid version, it gives with the ecstasy of the orgasm.



BIG CUTS TO PLEASURE

Because of bulk purchases we now have vast stocks of both and are passing the savings on to you.

TRIANGLE COPENHAGEN HOT (Imported) MALE ACTION

A new series of strong virile male action mags. Large format to highlight the action, superb colour and reproduction – and new models, many of whom are not professionals but have been caught unawares by a friend's camera.

GAY ACTION SPECIAL NO. 1 Packed cover to cover with a variety of men, from 18 – 22, who revel in showing off their grand penises. They have a nob size that will astound and delight. Young boys of 18 with a manhood that must be 14", more active men of 19 who jointly admire their size and play together, and those who have reached 21, consenting together to attain full mutual satisfaction. Erect men, but many who stand proud with their 10" are dwarfed by the true "king" sizes of several of the others. Camera close-ups zoom straight in on every member and none of the action is missed, so that the viewer is involved with a sense of fulfilment. This is truly an advanced publication, yet we are happy to offer it at the special price of £2.50 only.

GAY ACTION SPECIAL NO. 2 This magazine again features in the same candid provocative detail the same age groups as FRED, but there is all action throughout. Spunky indoor (bedroom) shots, and unsuspecting outdoor glimpses. The main point is the giant sizes of the organs, but when two young men lie together they get turned on looking and playing with each other, and naturally they seek greater fulfilment, contact and relief together. All this is clearly shown, but it shows how happy two men can be together and how completely satisfied they can be. Big boys throughout, and big value for money at the introductory price of £2.50.

DYNAMO NO. 3 Hardcore homo action from the United States showing exactly what united means. Words cannot adequately describe the sensitivity with which these photos were taken, you must have this in your collection. Worth more than double the £3.00 selling price.
